Homepage - Faith in Public Life - Faith in Public Life

This includes allowing the discussion of different beliefs, defending religious freedom and disagreeing respectfully with those expressing other views. Faith in Public aims to foster the understanding that people of faith are motivated by their beliefs to take part in practical social action, that this action legitimately flows from the faith that they hold, and that it can be a positive agent for change in critical areas of public policy.

Faith schools are a contentious subject among parents and politicians alike. Their supporters argue that it's right for followers of certain religions to have their children educated in line with the principles of their faith, but others feel that the faith school system is divisive, unfair and even dangerous.
