Mazda advised owners that their oil should be changed at 12'500 mile/12 month intervals, this is something that really is far too long. Old dirty oil can be a cause of blocked oil injector lines leading to excessive long term wear the engines rotor housings and seals. Couple this with the fact rotary engines should not be using the more durable and long lasting fully synthetic oil and you can see why 12'500 mile intervals is far too long.
