King's first novel,
Domino, (1995), tells
the story of a castrato
singer seen through
the experience of an
aspiring painter in the
London of the 1770s. In
1998, King published
Ex-Libris, his second
work of historical
fiction. Set in London
and Prague, it
chronicles how a
London bookseller's
search in the 1660s for
a missing manuscript
leads him unwittingly
into a world of
deception and murder.

Ross King's use of language is superb, and really requires attention from the reader; his method of description and narrative beg a comparison to Dickens in many ways, while there is enough contemporary "action" sequences to keep you reading late into the

night. I highly recommend this book for avid readers and history enthusiasts - there is abundant detail that shows the care and craft that Ross King has put into putting his own unique stamp on this book.
