The many connections between nuclear power and nuclear weapons are clear. Nuclear power has obvious dangers and its production must be stopped. We need a safe, genuinely sustainable, global and green solution to our energy needs, not a dangerous diversion like nuclear power. CND will continue to campaign to stop new nuclear power stations from being built, as well as for an end to nuclear weapons.

Nuclear weapons are meant to deter nuclear attacks from other countries. However, current policy allows the United States to begin a nuclear war by being the first to use nuclear weapons in a conflict—in response to a non-nuclear attack by North Korea, Russia, or China. A "no-first-use" policy would take this option off the table. The United States could pledge that it will never be the first to use a nuclear weapon, regardless of the circumstances.
