Feeling Great

The Revolutionary New Treatment for Depression and Anxiety *Pesi Publishing & Media*

Do you sometimes feel [€]. Down, depressed, or unhappy? Anxious, panicky, or insecure? Guilty or ashamed?

Inferior, inadequate, or worthless? Lonely, unwanted, or alone? For decades, we've been told that negative feelings like depression and anxiety are the result of what's wrong with us, like a personality defect, a "mental disorder," or a chemical imbalance in your brain. These messages create feelings of shame and make it sound like we're broken and need to be "fixed." Now, Dr. David Burns, author of the best-selling and highly acclaimed *Feeling Good: The New Mood Therapy* reveals that our negative moods do not result from what's wrong with us, but rather [€] what's right with us. And when you listen and suddenly "hear" what your negative thoughts and feelings are trying to tell you, suddenly you won't need them anymore, and recovery will be just a stone's throw away. In this innovative book, *Feeling Great*, Dr. Burns, describes a new and revolutionary high-speed treatment for depression and anxiety based on 40 years of research and more than 40,000 hours treating individuals with severe mood problems. The goal is not just a rapid and complete elimination of negative feelings, but the development of feelings of joy and enlightenment. Dr. Burns will provide you with inspiring and mind-blowing case studies along with more than 50 amazing tools to crush the negative thoughts that rob you of happiness and self-esteem. You can change the way you feel! You owe it to yourself to FEEL GREAT!

The Feeling Good Handbook

The Groundbreaking Program with Powerful New Techniques and Step-By-Step Exercises to Overcome Depression, Conquer Anxiety, and Enjoy Greater Intimacy *Plume*

From the author of the national bestseller *Feeling Good: The New Mood Therapy* comes a guide to mental wellness that helps you get beyond depression and anxiety and make life an exhilarating experience! With his phenomenally successful *Feeling Good: The New Mood Therapy*, Dr. David Burns introduced a groundbreaking, drug-free treatment for depression. In this bestselling companion, he reveals powerful new techniques and provides step-by-step exercises that help you cope with the full range of everyday problems. * Free yourself from fears, phobias, and panic attacks. * Overcome self-defeating attitudes. * Discover the five secrets of intimate communication. * Put an end to marital conflict. * Conquer procrastination and unleash your potential for success. With everything you need to know about commonly prescribed psychiatric drugs and anxiety disorders, such as agoraphobia and obsessive-compulsive disorder, this remarkable guide can show you how to feel good about yourself and the people you care about. You will discover that life can be an exhilarating experience. "A wonderful achievement--the best in its class."--M. Anthony Bates, clinical psychologist at Penn Presbyterian Medical Center in Philadelphia "Clear, systematic, forceful."--Albert Ellis, PhD, president of the Albert Ellis Institute

Feeling Good Together

The Secret to Making Troubled Relationships Work *Harmony*

Based on twenty-five years of clinical experience and groundbreaking research on more than 1,000 individuals, *Feeling Good Together* presents an entirely new theory of why we have so much trouble getting along with each other, and

provides simple, powerful techniques to make relationships work. We all have someone we can't get along with—whether it's a friend or colleague who complains constantly; a relentlessly critical boss; an obnoxious neighbor; a teenager who pouts and slams doors, all the while insisting she's not upset; or a loving, but irritating spouse. In *Feeling Good Together*, Dr. David Burns presents Cognitive Interpersonal Therapy, a radical new approach that will help you transform troubled, conflicted relationships into successful, happy ones. Dr. Burns' method for improving these relationships is easy and surprisingly effective. In *Feeling Good Together*, you'll learn how to: - Stop pointing fingers at everyone else and start looking at yourself. - Pinpoint the exact cause of the problem with any person you're not getting along with. - And solve virtually any kind of relationship conflict almost instantly. Filled with helpful examples and brilliant, user-friendly tools such as the Relationship Satisfaction Test, the Relationship Journal, the Five Secrets of Effective Communication, the Intimacy Exercise, and more, *Feeling Good Together* will help you enjoy far more loving and satisfying relationships with the people you care about. You deserve rewarding, intimate relationships. *Feeling Good Together* will show you how.

Ten Days to Self-Esteem

The Leader's Manual *Harper Collins*

Do you wake up dreading the day? Do you feel discouraged with what you've accomplished in life? Do you want greater self-esteem, productivity, and joy in daily living? If so, you will benefit from this revolutionary way of brightening your moods without drugs or lengthy therapy. All you need is your

own common sense and the easy-to-follow methods revealed in this book by one of the country's foremost authorities on mood and personal relationship problems. In *Ten Days to Self-esteem*, Dr. David Burns presents innovative, clear, and compassionate methods that will help you identify the causes of your mood slumps and develop a more positive outlook on life. You will learn that You feel the way you think: Negative feelings like guilt, anger, and depression do not result from the bad things that happen to you, but from the way you think about these events. This simple but revolutionary idea can change your life! You can change the way you feel: You will discover why you get depressed and learn how to brighten your outlook when you're in a slump. You can enjoy greater happiness, productivity, and intimacy—without drugs or lengthy therapy. Can a self-help book do all this? Studies show that two thirds of depressed readers of Dr. Burns's classic bestseller, *Feeling Good: The New Mood Therapy*, experienced dramatic relief in just four weeks without psychotherapy or antidepressant medications. Three-year follow-up studies revealed that readers did not relapse but continued to enjoy their positive outlook. *Ten Days to Self-esteem* offers a powerful new tool that provides hope and healing in ten easy steps. The methods are based on common sense and are not difficult to apply. Research shows that they really work! Feeling good feels wonderful. You owe it to yourself to feel good!

Feeling Good

The New Mood Therapy

A guidebook to mood therapy, used to prevent depression and negative moods.

Feel Good

How to Change Your Mood and Cope with Whatever Comes Your Way *John Wiley & Sons*

A practical, inspirational guide to managing your moods, improving your outlook, and beating stress and anxiety. Feeling overwhelmed, overstressed, or just plain down about life? This book is the cure for what ails you. Mood can affect every aspect of your life, from your performance at work to your personal relationships, and being able to take control of your moods, rather than have them control you, is something all the most successful people have in common. Combining techniques from two powerful, complementary therapeutic approaches—Cognitive Behavioural Therapy and Mindfulness—*Feel Good* is an everyday mood control book that can help you keep your spirits and your confidence high, and instill you with a more upbeat, positive, can-do attitude, come what may. A source of inspiration for world-weary nine-to-fivers and an expert guide to beating stress and anxiety. Combines the latest research and proven techniques and practices from two powerful therapeutic approaches: CBT and Mindfulness. Packed with practical information on how to start feeling happier and more positive about life, and optimize how you deal with people and situations in life and at work. Designed for quick reference it lets you access practical information relevant to the mood you're in at the moment.

When Panic Attacks

The New, Drug-Free Anxiety Therapy That Can Change Your Life *Harmony*

The truth is that you can defeat your fears. With more than forty simple, effective techniques, you'll learn how to overcome every conceivable kind of anxiety without medication. Are you plagued by fears, phobias, or panic attacks? Do you toss and turn at night with a knot in your stomach, worrying about your job, your family, work, your health, or relationships? Do you suffer from crippling shyness, obsessive doubts, or feelings of insecurity? What you may not realize is that these fears are almost never based on reality. When you're anxious, you're actually fooling yourself, telling yourself things that simply aren't true. See if you can recognize yourself in any of these distortions: All-or-Nothing Thinking: "My mind will go blank when I give my presentation at work, and everyone will think I'm an idiot." Fortune Telling: "I just know I'll freeze up and blow it when I take my test." Mind Reading: "Everyone at this party can see how nervous I am." Magnification: "Flying is so dangerous. I think this plane is going to crash!" Should Statements: "I shouldn't be so anxious and insecure. Other people don't feel this way." Emotional Reasoning: "I feel like I'm on the verge of cracking up!" Self-Blame: "What's wrong with me? I'm such a loser!" Mental Filter: "Why can't I get anything done? My life seems like one long procrastination." Now imagine what it would feel like to live a life that's free of worries and self-doubt; to go to sleep at night feeling peaceful and relaxed; to overcome your shyness and have fun with other people; to give dynamic presentations without worrying yourself sick ahead of time; to enjoy greater creativity, productivity and self-confidence. With these forty techniques, you'll be able to put the lie to the

distorted thoughts that plague you and your fears will immediately disappear. Dr. Burns also shares the latest research on the drugs commonly prescribed for anxiety and depression and explains why they may sometimes do more harm than good. This is not pop psychology but proven, fast-acting techniques that have been shown to be more effective than medications. When Panic Attacks is an indispensable handbook for anyone who's worried sick and sick of worrying.

The Feeling Good Handbook

Using the New Mood Therapy in Everyday Life *William Morrow & Company*

Discusses how to overcome fears, phobias, and panic attacks, improve intimate communication, cope with anxiety, and deal with many other everyday problems

Feeling Good

The Science of Well-Being *Oxford University Press*

All human beings have spontaneous needs for happiness, self-understanding, and love. In *Feeling Good: The Science of Well Being*, psychiatrist Robert Cloninger describes a way to coherent living that satisfies these strong basic needs through growth in the uniquely human gift of self-awareness. The scientific findings that led Dr. Cloninger to expand his own views in a stepwise manner during 30 years of research and clinical experience are clearly presented so that readers can consider the validity of his viewpoint for themselves. The principles of well-being are based on a non-reductive scientific paradigm that integrates findings from all the biomedical and psychosocial sciences.

Reliable methods are described for measuring human thought and social relationships at each step along the path of self-aware consciousness. Practical mental exercises for stimulating the growth of self-awareness are also provided. The methods are supported by data from brain imaging, genetics of personality, and longitudinal biopsychosocial studies. *Feeling Good: The Science of Well-Being* will be of value to anyone involved in the sciences of the mind or the treatment of mental disorders. It will also interest theologians, philosophers, social scientists, and lay readers because it provides contemporary scientific concepts and language for addressing the perennial human questions about being, knowledge, and conduct.

Mind Over Mood, Second Edition

Change How You Feel by Changing the Way You Think *Guilford Publications*

"This life changing book helps readers use cognitive-behavioral therapy - one of today's most effective forms of psychotherapy - to conquer depression, anxiety, panic attacks, anger, guilt, shame, low self-esteem, eating disorders, substance abuse, and relationship problems. The second edition contains numerous new features : expanded content on anxiety ; chapters on setting personal goals and maintaining progress ; happiness rating scales ; gratitude journals ; innovative exercises focused on mindfulness, acceptance, and forgiveness; new worksheets ; and much more."-- Publisher.

Intimate Connections

The New and Clinically Tested Program for Overcoming Loneliness Developed at the Presbyterian--University of Pennsylvania Medical Center *William Morrow*

Focuses on problems of loneliness, shyness, and sexual insecurity, and outlines specific techniques, including self-assessment tests, for dealing with these problems and other inhibitions

The Wim Hof Method

Activate Your Full Human Potential *Sounds True*

INSTANT NEW YORK TIMES BESTSELLER
The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof
Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental health and physical performance, and even control your physiology so you can thrive in any stressful situation." With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as "The Iceman" for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his

story, including:

- **Breath**—Wim's unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body's untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim's Story**—Follow Wim's inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. "This is how we will change the world, one soul at a time," Wim says. "We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction." If you're ready to explore and exceed the limits of your own potential, *The Wim Hof Method* is waiting for you.

Killers of the Flower Moon

The Osage Murders and the Birth of the FBI *Vintage*

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The*

Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

A Man Named Dave *Penguin*

A Man Named Dave, which has sold over 1 million copies, is the gripping conclusion to Dave Pelzer's inspirational and New York Times bestselling trilogy of memoirs that began with *A Child Called "It"* and *The Lost Boy*. "All those years you tried your best to break me, and I'm still here. One day you'll see, I'm going to make something of myself." These words were Dave Pelzer's declaration of independence to his mother, and they represented the ultimate act of self-reliance. Dave's father never intervened as his mother abused him with shocking brutality, denying him food and clothing, torturing him in any way she could imagine. This was the woman who told

her son she could kill him any time she wanted to—and nearly did. The more than two million readers of Pelzer's New York Times and international bestselling memoirs *A Child Called "It"* and *The Lost Boy* know that he lived to tell his courageous story. With stunning generosity of spirit, Dave Pelzer invites readers on his journey to discover how he turned shame into pride and rejection into acceptance.

SUMMARY - Feeling Good: The New Mood Therapy By David D. Burns *Shortcut Edition*

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to overcome depression, and more generally, how to cope with negative events and how to be happier. You will also learn : to be more positive; to be more confident in yourself; that criticism, anger and sadness can be overcome; to find your strengths and weaknesses; to feel good about yourself. Depression is as common as the common cold. However, unlike the common cold, treatments to cure it are not always effective, or their effects are temporary and limited. However, in recent years, important discoveries have been made about how emotions work and new forms of therapy have emerged. One of the most promising at present is called cognitive therapy. It is based on learning a new, more positive emotional behaviour, capable of overcoming all negative situations. Indeed, because the brain is malleable - this is neuroplasticity - it can learn to function differently throughout its life. If you are a victim of depression, if you are brooding, there are solutions, as proven by the "Feeling Good" techniques. Will

you be able to reprogram your brain to your advantage? *Buy now the summary of this book for the modest price of a cup of coffee!

Whatcha Gonna Do With That Duck?

And Other Provocations, 2006-2012 *Penguin UK*

Made for dipping into again and again, *Whatcha Gonna Do with That Duck?* brings together the very best of Seth Godin's acclaimed blog and is a classic for fans both old and new. 'Getting your ducks in a row is a fine thing to do. Shiloh *Simon and Schuster*

Marty will do anything to save his new friend Shiloh in this Newbery Medal-winning novel from Phillis Reynolds Naylor. When Marty Preston comes across a young beagle in the hills behind his home, it's love at first sight—and also big trouble. It turns out the dog, which Marty names Shiloh, belongs to Judd Travers, who drinks too much and has a gun—and abuses his dogs. So when Shiloh runs away from Judd to Marty, Marty just has to hide him and protect him from Judd. But Marty's secret becomes too big for him to keep to himself, and it exposes his entire family to Judd's anger. How far will Marty have to go to make Shiloh his?

Healthier Together

Get in the Kitchen with Your Partner, Friends, Or Coworkers-- Look and Feel Amazing *Clarkson Potter*

Healthier Together is all about nourishing and cooking for your body and your soul--and the best way to

accomplish that is with another person. Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage--proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner--near or far--and get ready to get healthy.

No Country for Old Men *Vintage*

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff

Bell-can contain. As Moss tries to evade his pursuers-in particular a mysterious mastermind who flips coins for human lives-McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph.

Summary David D. Burns' Feeling Good

The New Mood Therapy *Createspace Independent Publishing Platform*

The Anxiety and Worry Workbook

The Cognitive Behavioral Solution

Guilford Press

If you're seeking lasting relief from out-of-control anxiety, this is the book for you. It is grounded in cognitive behavior therapy, the proven treatment approach developed and tested over more than 25 years by pioneering clinician-researcher Aaron T. Beck. Now Dr. Beck and fellow cognitive therapy expert David A. Clark put the tools and techniques of cognitive behavior therapy at your fingertips in this compassionate guide. Carefully crafted worksheets (you can download and print additional copies as needed), exercises, and examples reflect the authors' decades of experience helping people just like you. Learn practical strategies for identifying your anxiety triggers, challenging the thoughts and beliefs that lead to distress, safely facing the situations you fear, and truly loosening anxiety's grip--one manageable step at a time. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

With Pleasure

Managing Trauma Triggers for More Vibrant Sex and Relationships *Chicago Review Press*

A companion for anyone experiencing the effects of trauma, featuring true stories of survivors from a broad, inclusive range of backgrounds *With Pleasure: Managing Trauma Triggers for More Vibrant Sex and Relationships* is a companion for anyone experiencing the effects of trauma. Through true survivor stories, expert insight, writing prompts, and grounding exercises, it explores pleasure, relationships, and community as worthy and essential antidotes in trying times. Written by trauma-informed sex therapist Jamila Dawson, LMFT, and sexuality journalist and podcaster

August McLaughlin, *With Pleasure* provides a much-needed alternative to harmful "self-help" ideologies that instruct people to "change their thoughts" or "choose to be happy." Instead, Dawson and McLaughlin encourage readers to respect their feelings, understand the complexities of a society and systems that fuel trauma, foster self-compassion, and embrace pleasure.

A Court of Thorns and Roses

Bloomsbury Publishing

Passionate, violent, sexy and daring ... A true page-turner - USA Today The tantalising start to a seductive fantasy series from global #1 bestselling author Sarah J. Maas Feyre is a huntress. And when she sees a deer in the forest being pursued by a wolf, she kills the predator and takes its prey to feed herself and her family. But the wolf was not what it seemed, and Feyre cannot predict the high price she will have to pay for its death ... Dragged away from her family for the murder of a faerie, Feyre discovers that her captor, his face obscured by a jewelled mask, is hiding even more than his piercing green eyes suggest. As Feyre's feelings for Tamlin turn from hostility to passion, she learns that the faerie lands are a far more dangerous place than she realized. And Feyre must fight to break an ancient curse, or she will lose him forever. Sarah J. Maas's books have sold millions of copies worldwide and have been translated into 37 languages. Discover the sweeping romantic fantasy for yourself.

Undoing Depression

What Therapy Doesn't Teach You and Medication Can't Give You *Little,*

Brown Spark

The bestselling approachable guide that has inspired thousands of readers to manage or overcome depression — fully revised and updated for life in the 21st century. Depression rates around the world have skyrocketed in the 20-plus years since Richard O'Connor first published his classic book on living with and overcoming depression. Nearly 40 million American adults suffer from the condition, which affects nearly every aspect of life, from relationships, to job performance, physical health, productivity, and, of course, overall happiness. And in an increasingly stressful and overwhelming world, it's more important than ever to understand the causes and effects of depression, and what we can do to overcome it. In this fully revised and updated edition — which includes updated information on the power of mindfulness, the relationship between depression and other diseases, the risks and side effects of medication, depression's effect on thinking, and the benefits of exercise — Dr. O'Connor explains that, like heart disease and other physical conditions, depression is fueled by complex and interrelated factors: genetic, biochemical, environmental. But Dr. O'Connor focuses on an additional factor that is often overlooked: our own habits. Unwittingly we get good at depression. We learn how to hide it, and how to work around it. We may even achieve great things, but with constant struggle rather than satisfaction. Relying on these methods to make it through each day, we deprive ourselves of true recovery, of deep joy and healthy emotion. Undoing Depression teaches us how to replace depressive patterns with a new and more effective set of skills. We already know how to "do" depression—and we

can learn how to undo it. With a truly holistic approach that synthesizes the best of the many schools of thought about this painful disease, and a critical eye toward medications, O'Connor offers new hope—and new life—for sufferers of depression.

Summary

Feeling Good: the New Mood Therapy by David D. Burns M. D.

Feeling Good is written by Dr. David D. Burns, one of the major developers of the highly effective treatment called Cognitive Therapy. He is well-versed in both drug therapy and psychotherapy, and he shares his valuable knowledge in an easy-to-understand manner. You can do most of the techniques on your own. Conquer your depression and anxiety with Retrain Your Brain: Cognitive Behavioural Therapy in 7 Weeks.

Overcoming Depression

A Cognitive Therapy Approach *Oxford University Press*

This workbook is designed to help you as you work together with a qualified mental health professional to overcome your depression. The program described will help you develop a set of coping strategies and skills so that you can proactively deal with depression and prevent it from compromising your quality of life. Based on the idea that depression is a "beast" to be tamed, the treatment utilizes an acronym to help you understand the goals of treatment. You will work with your therapist to understand the biology of depression, as well as how your emotions, your activity level, the situations you find yourself in, and the thoughts you have all contribute to your depression (the BEAST). This treatment is scientifically proven and can be used in conjunction with medication. Filled with worksheets and forms for completing in-session

exercises, as well as at-home assignments, this workbook provides all the tools you need to successfully overcome your depression and prevent future relapse. *TreatmentsThatWork™* represents the gold standard of behavioral healthcare interventions! · All programs have been rigorously tested in clinical trials and are backed by years of research · A prestigious scientific advisory board, led by series Editor-In-Chief David H. Barlow, reviews and evaluates each intervention to ensure that it meets the highest standard of evidence so you can be confident that you are using the most effective treatment available to date · Our books are reliable and effective and make it easy for you to provide your clients with the best care available · Our corresponding workbooks contain psychoeducational information, forms and worksheets, and homework assignments to keep clients engaged and motivated · A companion website (www.oup.com/us/ttw) offers downloadable clinical tools and helpful resources · Continuing Education (CE) Credits are now available on select titles in collaboration with PsychoEducational Resources, Inc. (PER)

Minimus Pupil's Book

Starting Out in Latin *Cambridge University Press*

Teaches children the basics of Latin grammar and vocabulary, as well as Roman British history and culture, through vocabulary lists, mythical tales, and illustrations.

Wonder *Knopf Books for Young Readers*

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

The Personality Code *Penguin*

A revolutionary approach to success and fulfillment-already being used by hundreds of thousands of individuals and organizations-now available for the first time in an accessible, practical book. *The Personality Code* clearly and persuasively demonstrates how personality determines why we do what we do and how we can maximize our strengths, work smarter with others, and profit from better relationships in our careers. Based on the IDISC(tm) Personality Profile-an updated and rigorously validated proprietary version of DISC, the world's most popular form of personality testing-the book provides insights and strategies for individuals and organizations that promote self-awareness and foster excellence. Readers will have free access to the online IDISC(tm) Personality Profile (each book will include a unique code number), which will reveal their own profiles from among the fourteen personality types that have been refined and defined through the author's six-year international study involving more than five hundred thousand participants. Travis Bradberry shows readers how to discern the fixed characteristics that explain three-quarters of human behavior. Most important, they will learn how to leverage these traits in order to capitalize on their strengths and sidestep weaknesses in themselves as well as in other people.

millions.

The Book of Moods

How I Turned My Worst Emotions Into My Best Life *Grand Central Publishing*

The Happiness Project meets *So Sad Today* in this "hilariously witty, unflinchingly honest" book from Words of Women founder Lauren Martin, as she contemplates the nature of negative emotions -- and the insights that helped her to take control of her life (Bobbi Brown). Five years ago, Lauren Martin was sure something was wrong with her. She had a good job in New York, an apartment in Brooklyn, a boyfriend, yet every day she wrestled with feelings of inferiority, anxiety and irritability. It wasn't until a chance encounter with a (charming, successful) stranger who revealed that she also felt these things, that Lauren set out to better understand the hold that these moods had on her, how she could change them, and began to blog about the wisdom she uncovered. It quickly exploded into an international online community of women who felt like she did: lost, depressed, moody, and desirous of change. Inspired by her audience to press even deeper, *The Book of Moodshares* Lauren's journey to infuse her life with a sense of peace and stability. With observations that will resonate and inspire, she dives into the universal triggers every woman faces -- whether it's a comment from your mother, the relentless grind at your job, days when you wish the mirror had a Valencia filter, or all of the above. Blending cutting-edge science, timeless philosophy, witty anecdotes and effective forms of self-care, Martin has written a powerful, intimate, and

incredibly relatable chronicle of transformation, proving that you really can turn your worst moods into your best life.

Summer of '69 *Little, Brown*

Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 New York Times bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.

Forgiveness

"I Just Can't Forgive Myself!"
Presbyterian & Reformed Publishing Company

Sally, a Christian, laments having an abortion years ago. ?I know the Lord has forgiven me, but I just can't forgive myself.? What would you say to her? Maybe you yourself have struggled with ?self-forgiveness? and wonder how to deal with feelings of guilt. Why is self-forgiveness such an attractive notion? What, if anything, does the Bible say

about it? Robert D. Jones identifies five possible assumptions behind the longing for self-forgiveness. In the process, he pinpoints a deeper problem-and a deeper solution to ongoing guilt. By dispelling a number of misconceptions, Jones clears the path to a joyful realization of complete forgiveness in Christ.

Inside Out

Promise of Real Change
