GST - The Game Changer - Daily Excelsior

GST will be a game changing reform for Indian economy by developing a common Indian market and reducing the cascading effect of tax on the cost of goods and services. It will impact the Tax Structure, Tax Incidence, Tax Computation, Tax Payment, Compliance, Credit Utilization and Reporting leading to a complete refurbishment of the current indirect tax system.

The Six Sigma Handbook 5e

It is too premature to say GST is a game

changer. Even if it is game changer, question is, in which direction. Theoretically the Acts sound good, but practically the matter does not look too promising, unless a total commitment for tax compliance is shown by the indirect tax depositors. The GST network is not fully or smoothly operating even though the Infosys boss spoke so highly beforehand.

How is GST a game changer? - Quora

In the medium term the GST is a game changer for India and if implemented well it could propel the country to a new level

of growth and quickly push India up world GDP rankings over the coming years. But implementation is critical and the full benefits of the GST may take many years before they are seen in full as it will take time for corporate consolidation and the full efficiencies of the single market to develop.
