Anticommunism and the African American Freedom Movement ...

A common argument in the scholarly literature on civil rights posits that African-American activists who embraced anticommunism in the late 1940s and 1950s did so out of opportunism, fear, or cowardice, as the domestic Red Scare intensified repression across the United States.

The traditions of African-American anti-communism ...

The full-throated embrace of anti-communism by many African-American activists and editors has often been cast by historians as an unfortunate development of the early Cold War. In some interpretations, heightened repression prompted black leaders to sharply differentiate their own pro-American activism from that of a supposedly anti-American communist left.

The traditions of African-American anti-communism. - Free ...

This picture is beginning to be filled in, notably by Penny Von Eschen’s groundbreaking Race Against Empire, but also by more recent work from this lively field. 22 Turning towards the clash between imperial anticommunism and the anticolonial wing of the African American freedom movement, we can better understand how anticolonial critics found themselves to be resisting in trying times. 23 The stories of the NMU, the Jefferson School, and the NAACP under cold-war conditions also make clear ...

Imperial Anticommunism and the African American Freedom ...

Anticommunism: The naacp in the Early Cold War Manfred Berg In recent years historians have produced an impressive body of scholarship on the link age between international relations and the African American freedom struggle. Not surprisingly, much of this work has focused on the Cold War, especially on its early years.

Early Cold War - JSTOR

The webinar can be registered for here. From its beginnings in the early years of the 20th century, the Communist Party USA was the only political movement emphasizing racial justice for African Americans, and many in the Black community reciprocated in their support for the Party.

African Americans and the Communist Party - Communist ...

The Communist Party USA, ideologically committed to foster a socialist revolution in the United States, played a significant role in defending the civil rights of African Americans during its most influential years of the 1930s and 1940s. In that period, the African-American population was still concentrated in the South, where it was largely disenfranchised, excluded from the political system ...

Communist Party USA and African Americans - Wikipedia

Anti-communism is a political movement and ideology opposed to communism.It has been prominent in resistance movements against communism under socialist states governed by communist parties throughout history. Organized anti-communism developed after the 1917 October Revolution in Russia and it reached global dimensions during the Cold War, when the United States and the Soviet Union engaged ...

Anticommunism And The African American Freedom Movement ...

Claudia Jones in London in the 1960s (Credit: Schomburg Center for Research in Black Culture, Photographs and Prints Divisions) Between 1949 to 1958 dozens of Communist Party (CPUSA) leaders were tried, some were convicted, and several served prison terms. The cost of anticommunism went beyond the people who were put on trial, their families faced harassment, surveillance, job loss, and illness all while witnessing the constant harassment of their loved ones.

Claudia Jones and the Price of Anticommunism - AAIHS

As the African Americans increasingly participated in CPUSA activities, they became critical of the CPUSA's allyship and treatment of African Americans. While the financial and aesthetic contributions of Negrotarians, or white CPUSA members supporting young black artists, were appreciated, dissatisfaction with Negrotarians arose because these ...

Black Communism - ArcGIS

Introduction. The magnetic appeal of communism for African American writers proved widespread throughout the middle of the 20th century. The chief attraction was the frontline role of the Communist Party of the United States (CPUSA) in fighting racism and colonialism, combined with the Communist movement’s cutting-edge support of radical multiculturalism in the arts.
