The Life of Elizabeth Barrett Browning *Profile Books*

A Washington Post 2021 Non-Fiction Book of the Year New York Times Review of Books Editors' Choice Non-Fiction Title Longlisted for the 2022 PEN / Jacqueline Bograd Weld Award for Biography

'Brilliant, heart-stopping ... reads like a thriller, a memoir and a provocative piece of literary fiction all at the same time ... magical and compelling' Washington Post 'How do I love thee? Let me count the ways,' Elizabeth Barrett Browning famously wrote, shortly before defying her family by running away to Italy with Robert Browning. But behind the romance of her extraordinary life stands a thoroughly modern figure, who remains an electrifying study in self-invention. Elizabeth was born in 1806, a time when women could neither attend university nor vote, and yet she achieved lasting literary fame. She remains Britain's greatest woman poet, whose work has inspired writers from Emily Dickinson to George Eliot and Virginia Woolf. This vividly written

biography, the first full study for over thirty years, incorporates recent archival discoveries to reveal the woman herself: a literary giant and a high-profile activist for the abolition of slavery who believed herself to be of mixed heritage; and a writer who defied chronic illness and long-term disability to change the course of cultural history. It holds up a mirror to the woman, her art - and the art of biography itself.

world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

That is, until the letter arrives... "I love your verses with all my heart," writes Robert Browning, an admiring fellow poet. And as friendly correspondence gives way to something more, Elizabeth discovers that Robert's love is not for her words alone. Could it be that God might grant her more than mere existence? And can she risk defying her father in pursuit of true happiness? Nancy Moser has crafted a romantic, emotion-charged novel based on the true story of beloved poet Elizabeth Barrett Browning.

All But My Life

A Memoir *Hill and Wang*

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-

day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were

dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.
