### **Community Trademark Law**

A Community Trademark is a registered trademark that protects your brand in every EU member state and encourages international business and branding. The Community Trademark, also known as the Community Trade Mark (CTM), and EU Trade Mark (EUTM), is a European Union trademark registration. The Community Trademark is valid in all European Union countries.

### **Community Trademark: Everything You Need to Know**

The community trademark was established in 1996. A community trademark registration confers a monopoly right upon its proprietor to prevent unauthorized third party use of an identical or confusingly similar trademark in relation to overlapping or related goods and/or services to those covered by the registration.

### **What is a Community Trademark (CTM)? | Albright IP Limited**

A European Union trade mark or EU trade mark (abbreviated EUTM; named Community Trade Mark (CTM) until 23 March 2016) is a trade mark which is pending registration or has been registered in the European Union as a whole (rather than on a national level within the EU). The EU trade mark system creates a unified trade mark registration system in Europe, whereby one registration provides protection in all

member states of the EU.

### **European Union trade mark - Wikipedia**

The introduction in Europe in 1996 of the Community trade mark (CTM) brought into being a new and independent trade mark system with its own sources of law, its own procedures, and its own administrative and judicial bodies, notably the Office for Harmonization in the Internal Market (Trade Marks and Designs) (OHIM), the agency designated to process applications for the registration of CTMs.

### **Community Trademark Law | Legal Outlet**

European Trademark Law describes all relevant developments in both legislation and case law, in particular of the Court of Justice, offering not only a succinct introduction to the theory, structure and nature of trademark law, but also insightful suggestions for resolving and answering a host of practical problems. As the authors note, their book provides an overview of trademark law ...
