I'd Like You More If You Were More like Me

Getting Real about Getting Close

NavPress

I'd Like You More If You Were More like Me takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based

on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us—so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

Remember Me Like This

A Novel *Random House Trade Paperbacks*

“Enthralling . . . [an] exquisitely moral mystery of how we struggle to accept and love the people we call family.”—The New York Times Book Review (Editor’s Choice) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Esquire • BookPage A gripping novel with the pace of a thriller but the nuanced characterization and deep empathy of some of the literary canon’s most beloved novels, *Remember Me Like This* introduces Bret Anthony Johnston as one of the most gifted storytellers writing today. With his sophisticated and emotionally taut plot and his shimmering prose, Johnston reveals that only in caring for one another can we save

ourselves. Four years have passed since Justin Campbell’s disappearance, a tragedy that rocked the small town of Southport, Texas. Did he run away? Was he kidnapped? Did he drown in the bay? As the Campbells search for answers, they struggle to hold what’s left of their family together. Then, one afternoon, the impossible happens. The police call to report that Justin has been found only miles away, in the neighboring town, and, most important, he appears to be fine. Though the reunion is a miracle, Justin’s homecoming exposes the deep rifts that have diminished his family, the wounds they all carry that may never fully heal. Trying to return to normal, his parents do their best to ease Justin back into his old life. But as thick summer heat takes hold, violent storms churn in

the Gulf and in the Campbells' hearts. When a reversal of fortune lays bare the family's greatest fears—and offers perhaps the only hope for recovery—each of them must fight to keep the ties that bind them from permanently tearing apart. Praise for *Remember Me Like This* “An achingly beautiful and psychologically insightful portrait of a family . . . [a] fully immersive novel in which the language is luminous and the delivery almost flawless.”—The Boston Globe “Riveting . . . flows like it was plotted by Dennis Lehane but feels like it was written by Jonathan Franzen.”—Esquire “Tremendously moving . . . There's real humanity in Johnston's writing, and it's heartening to spend time with these folks as they relearn how to be a

family.”—Ron Charles, The Washington Post “Deeply empathetic and masterfully constructed . . . a novel that has both the feel of a great epic and the focused intensity of standing on a highwire.”—Salon

Can't Buy Me Like

Today's brands face an apparent choice between two evils: continue betting on their increasingly ineffective advertising or put blind faith in the supposedly mystical power of social media, where “likes” stand in for transactions and a mass audience is maddeningly elusive. Lennon and McCartney wrote a half century ago, money can't buy you love. But in today's world, where people have become desensitized-even disillusioned-by ad campaigns and marketing slogans, that maxim needs an update: Money can't even buy you like.

Makes Me Wanna Holler

A Young Black Man in America *Vintage*

One of our most visceral and important memoirs on race in America, this is the story of Nathan McCall, who began life as a smart kid in a close, protective family in a black working-class

neighborhood. Yet by the age of fifteen, McCall was packing a gun and embarking on a criminal career that five years later would land him in prison for armed robbery. In these pages, McCall chronicles his passage from the street to the prison yard—and, later, to the newsrooms of The Washington Post and ultimately to the faculty of Emory University. His story is at once devastating and inspiring, at once an indictment and an elegy. *Makes Me Wanna Holler* became an instant classic when it was first published in 1994 and it continues to bear witness to the great troubles—and the great hopes—of our nation. With a new afterword by the author

All Is Grist - A Book of Essays *Read Books Ltd*

This early work by G. K. Chesterton was originally published in 1903. Gilbert Keith Chesterton was born in London in 1874. 'All is Grist' is a collection of essays. He studied at the Slade School of Art, and upon graduating began to work as a freelance journalist. Over the course of his life, his literary output was incredibly diverse and highly prolific, ranging from philosophy and ontology to art criticism and detective fiction. However, he is probably best-remembered for his Christian apologetics, most notably in *Orthodoxy* (1908) and *The Everlasting Man* (1925). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

If He Had Been with Me *Sourcebooks, Inc.*

Black and White Like You and Me

Parallel Lines Sometimes Intersect *Tomjo Media*

Even in 1960s Detroit, race isn't everything. Tom Daniels and "Cookie" Marsh will be the first to tell you that race isn't everything. But it did shape

the way they experienced the world growing up in Detroit in the 1950s and 60s. Tom "Cookie" Marsh grew up in a black neighborhood on Detroit's west side. Tom Daniels grew up in a mixed, working-class neighborhood on Detroit's east side. Both men grew up in strict households where they "always got what we needed, and sometimes what we wanted" and both saw their city, their country, and their world transform around them through the Civil Rights movement, riots, and the Viet Nam War. But sometimes parallel lines intersect. As each man tells his story, it is apparent that race isn't just "black and white" but it is part of what makes their friendship extraordinary. Their experiences will show you that race made for huge differences in their experiences, while, in

spite of race, there are also touching similarities that made it possible for two men, in their older years, to overcome decades of racial turbulence of their upbringing to become lifelong friends. Follow Tom and Cookie. Hear about their lives, their upbringing, their successes and regrets growing up in black and white Detroit - and how when it boils down to it, the things that are truly important are actually black and white, like you and me.

One hot night with a stranger... Leads to something very unexpected!

Don't Look At Me Like That *Granta*

Books

In 1950s England, well-brought-up young women are meant to aspire to the respectable life. Some things are not to be spoken of; some are most certainly not to be done. There are rules, conventions. Meg Bailey obeys them. She progresses from Home Counties school to un-Bohemian art college with few outward signs of passion or frustration. Her personality is submerged in polite routines; even with her best friend, Roxane, what can't be said looms far larger than what can. But circumstances change. Meg gets a job and moves to London. Roxane gets married to a man picked out by her mother. And then Meg does something shocking - shocking not only by the standards of her time, but by our own.

As sharp and startling now as when it was written, *Don't Look at Me Like That* matches Diana Athill's memoirs *After a Funeral* and *Instead of a Letter* in its gift for storytelling and its unflinching candour about love and betrayal.

The Me I Choose to Be

Most Treasured of All

Revealing Erroneous Embedded Doctrines in Conventional Theism

CreateSpace

I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all

very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord

and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years

of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

advice, part workbook, part manifesto, part instruction manual for life, this book covers: * the author's own experience with disordered eating * how food and eating issues are ways to solve problems and deal with pain * how you're not as broken as you think you are * how to soothe painful emotions * how to get

"un-stuck" and moving in a new direction * how to eat to nourish your brain and help yourself feel better Simply written, easy to understand, full of humor and - yes - plenty of curse words, this book is a quick but high-impact read that might just change your life.
