Repair manuals - Manuals - Aprilia

I just serviced my Atlantic 500, and the
old belt was ok, but very "rigid"

compared to the new belt. The old belt
may have had a few miles left in it, but
after reading posts here and using the
shop manual, it was worth it to replace
the belt, especially since I don't know if
this is the original belt (13,100 miles)
when I bought it.

Aprilia Atlantic 500 - long mileage belt?
