Naturalism, Theism and the Cognitive Study of Religion ...

A religion typically does that and more; it also involves worship and ritual. These latter are ordinarily (but not always) absent from

naturalism; naturalism, we could therefore say, performs the cognitive or doxastic function of a religion. For present purposes, therefore, we can promote it to the status of an honorary religion, or at any rate ...

Naturalism vs. Evolution: A Religion/Science Conflict ...

Introduction. As a worldview, naturalism depends on a set of cognitive commitments from which flow certain propositions about reality and human nature. These propositions in turn might have implications for how we live, for social policy, and for human

flourishing. But the presuppositions, basis, and implications of naturalism are not uncontested, and indeed there's considerable debate about ...
