Regression Therapy - Dr. Winafred Blake Lucas

Most were originally traditional therapists who came to the realization that regression therapy - while not a cure-all - is sometimes the only tool that is effective in healing a patient's issues. In Volume 1, each of the contributors explains his or her background, philosophy, indications for use of regression therapy, contraindications, induction methods, healing techniques, and cases.

regression therapy a handbook for professionals two volume set

Volume 1 deals with typical past-life regression, and Volume 2 covers more exotic varieties of regression like spirit releasement (compassionate exorcism), prenatal (in utero) regression, accessing the spirit life in-between lives, coming to terms with death, etc. The prenatal section goes on forever with subtopic after subtopic, but the spirit releasement section seemed rather slim by ...
