Print Pattern Sew Archives - Jen Hewett

Wood block printing of textiles refers to the textile printing technique of printing patterns on fabric with carved wooden blocks. It is the oldest textile printing technique and the easiest. As early as the 14th century, Indians have been block printing and in China even earlier. Block printing is supposed to have originated in China.

Print the pattern. Now that you know what you need to print and that your pattern is scaled properly, go ahead and print out your pattern. Remember to print only what you need. Don't print out all of the sizes and variations unless you need to. Most patterns will print out in the order that they need to be assembled. Pay attention to this.
