Overview. American Colonies: The Settling of North America is the first volume of the five-part Penguin History of the United States series. In it, Pulitzer-prize-winning historian Alan Taylor surveys the history of the Americas before the formation of the United States.. Taylor aims to expand, enrich, and complicate

our understanding of this period.

American Colonies Summary and Study Guide |

SuperSummary

The colonial history of the United States covers the history of European colonization of America from the early 16th century until the incorporation of the colonies into the United States of America. In the late 16th century, England, France, Castile, and the Dutch Republic launched major colonization programs in America. The death rate was very high among those who arrived first, and some ...

Colonial history of the United States - Wikipedia

The British colonization

of the Americas was the history of establishment of control, settlement, and decolonization of the continents of the Americas by England, Scotland and (after 1707) Great Britain. Colonization efforts began in the 16th century with failed attempts by England to establish permanent colonies in North America.

British colonization of the Americas - Wikipedia

Colonial American history lasted longer than US history has so far done and it was instructive to chart the gradual transformations of how in an unknown and challenging land societies evolved from a few starving and failing 'plantations' to

the wealthy, healthy and thriving communities of some million and a half people on the eve of their challenging and winning independence from the mother country.

American Colonies: The Settling of North America, Vol. 1 ...

American history incorporates the English Puritans for the purpose of explaining the American colonists of that faith, and on a larger scale, the developmental stages of the thirteen colonies who eventually separated themselves from England and declared themselves a sovereign state—The United States of America.
