Know That...

Quotes from Deaf Women for a Positive Life *Dawn Sign Press*

This treasury of quotes from deaf women about life, love, and overcoming multifaceted challenges provides a resource for those seeking inspiration and understanding. Compiled from contributions from women of all walks of life—young and old, single and married, straight and lesbian, soccer moms and single mothers, women of color—this collection recognizes the gender-specific barriers that women confront daily and offers gender-specific strengths for overcoming them. Also a beginning point of unity for deaf women everywhere, these bits of wisdom address the need to pull together, share the vision and resources needed for empowerment, embrace diversity, and contribute to life each day in small ways.

Introduction to American Deaf Culture *Oxford University Press*

Introduction to American Deaf Culture provides a fresh perspective on what it means to be Deaf in contemporary hearing society. The book offers an overview of Deaf art, literature, history, and humor, and touches on political, social and cultural themes.

Asl-to-english Interpretation

Say It Like They Mean It *Createspace Independent Publishing Platform*

The focus of ASL to English: Say it Like They Mean It, is not about how we, the interpreters, think the English interpretation should be presented, but rather, how would an English speaking consumer with no understanding of Deaf Culture best understand the voiced message. The task of producing an appropriate interpretation from ASL to English is often noted as being the more difficult of the two interpreting tasks. With only two years in most interpreter education programs, students may not have a full comprehension of what is expected in ASL to English interpretation. This book looks at

difficulties and issues that can arise as interpreters work between ASL and English, with exercises at the end of every chapter. ASL to English Interpretation: Say It Like They Mean It will not only give students currently studying interpreting an opportunity to learn how to interpret from ASL to English, but will also give students the opportunity to discuss and work on the task of the English interpretation with their teacher and fellow students. This book is identical to ISBN 0-916883-38-8, it is just perfect-bound instead of spiral-bound, which required a new ISBN.

From Mime to Sign *Therapy Skill Builders*

Sign language skills are acquired through a progressive series of exercises based on familiar gestures and facial expressions.

Deaf in America *Harvard University Press*

Written by authors who are themselves Deaf, this unique book illuminates the life and culture of Deaf people from the inside, through their everyday talk, their shared myths, their art and performances, and the lessons they teach one another. Padden and Humphries employ the capitalized "Deaf" to refer to deaf people who share a natural language--American Sign Language (ASL)--and a complex culture, historically created and actively transmitted across generations.

A Loss for Words

The Story of Deafness in a Family *Harper Collins*
"A deeply moving, often humorous, and beautiful account of what it means to be the hearing child of profoundly deaf parents . . . I have rarely read anything on the subject more powerful or poignant than this extraordinary personal account by Lou Ann Walker." — Oliver Sacks From the time she was a toddler, Lou Ann Walker acted as the ears and voice for her parents, who had lost their hearing at a young age. As soon as she was old enough to speak, her childhood ended, and she immediately assumed the responsibility of interpreter—translating doctors’ appointments and managing her parents’ business transactions. Their family life was warm and loving, but outside the home, they faced a world that misunderstood and often rejected them. In this deeply moving memoir, Walker offers us a glimpse of a different world, bringing with it a broader reflection on how parents grow alongside their children and how children learn to navigate the world through the eyes of their parents.

Barron's American Sign Language

A Comprehensive Guide to ASL 1 and 2 with Online Video Practice *Barrons Educational Series*
Barron’s American Sign Language is a brand-new title on ASL that can be used in the classroom, as a supplemental text to high school and college courses, or for anyone who wants to learn proper ASL. The only book with comprehensive instruction and online graded video practice quizzes, plus a comprehensive final video exam. Content includes topics on the Deaf culture and community, ASL Grammar, fingerspelling, combining signs to construct detailed sentences, Everyday ASL, and much more. More than 1,000 illustrations of signs with instructions on movement--step-by-step with dialogue, tip boxes, and practice exercises and quizzes throughout to reinforce retention and to track your progress.
