Status Anxiety

Status Anxiety This is a

book about an almost universal anxiety that rarely gets mentioned directly: an anxiety about what others think of us; about whether we're judged a success or a failure, a winner or a loser. This is a book about status anxiety.

In *Status Anxiety*, bestselling author Alain de Botton sets out to understand our universal fear of failure - and how we might change. We all worry about what others think of us. We all long to succeed and fear failure. We all suffer - to a greater or lesser degree, usually privately and with embarrassment - from status anxiety.

Status Anxiety by Alain De Botton - Penguin Books Australia

This is a book about status anxiety. Alain de Botton, best-selling author of *The Consolations of Philosophy* and *The Art of Travel*, asks—with lucidity and charm—where our worries about status

come from and what, if anything, we can do to surmount them.

 "That said, deciding to avoid other people does not necessarily equate with having no desire whatsoever for company; it may simply reflect a dissatisfaction with what—or who—is available. Cynics are, in the end, only idealists with awkwardly high standards.

Status Anxiety
Quotes by Alain de
Botton - Goodreads

In the modern world, low status rarely means starvation, but it often involves a loss of self-respect. Such a

blow would have been impossible in the pre-modern world, where roles were fixed for life, and where only the rich suffered from status anxiety.
