These sketches are the competent and mediocre efforts of enthusiasts but certainly not sketches by masters.As a veteran of the Creative business I could start explaining why this is; for example the lack of animation, composition, design, lack of originality in view-points etc.

Amazon.com: Customer reviews: Masters of Sketching

I've really enjoyed all the sketching related books that 3DTotal Publishing has put out so far, and Masters of Sketching is no exception. In this 272-page thick paperback, you'll see lots of different styles and variety of sketches from various artists. Some sketches are, erm, sketchy while some can be really refined.
