At least her best friend August will be there. Leilani and her guests decide to make Tutu's recipe for Sleepover Soup, which requires each of them to collect one ingredient that has significant meaning in their lives. At seventeen, Mei should be in high school, but skipping fourth grade was part of her parents' master plan. Now a freshman at MIT, she is on track to fulfill the rest of this predetermined future: become a doctor, marry a preapproved Taiwanese Ivy Leaguer, produce a litter of babies. With everything her parents have sacrificed to make her cushy life a reality, Mei can't bring herself to tell them the truth—that she (1) hates germs, (2) falls asleep in biology lectures, and (3) has a crush on her classmate Darren Takahashi, who is

decidedly not Taiwanese. But when Mei reconnects with her brother, Xing, who is estranged from the family for dating the wrong woman, Mei starts to wonder if all the secrets are truly worth it. Our Wayward Fate *Simon & Schuster Books for Young Readers*

"A story that's sure to stick with you for a long time." —BuzzFeed "More than a coming-of-age novel." —School Library Journal "[An] inventive, deeply heartfelt love story that explores connections of many kinds." —Booklist A teen outcast is simultaneously swept up in a whirlwind romance and down a rabbit hole of dark family secrets when another Taiwanese family moves to her small, predominantly white midwestern town in this remarkable novel from the critically acclaimed author of *American Panda*. Seventeen-year-old Ali Chu knows that as the only Asian person at her school in middle-of-nowhere Indiana, she must be bland as white toast to survive. This means swapping her congee lunch for PB&Js, ignoring the clueless racism from

her classmates and teachers, and keeping her mouth shut when people wrongly call her Allie instead of her actual name, pronounced Āh-lěe, after the mountain in Taiwan. Her autopilot existence is disrupted when she finds out that Chase Yu, the new kid in school, is also Taiwanese. Despite some initial resistance due to the "they belong together" whispers, Ali and Chase soon spark a chemistry rooted in competitive martial arts, joking in two languages, and, most importantly, pushing back against the discrimination they face. But when Ali's mom finds out about the relationship, she forces Ali to end it. As Ali covertly digs into the why behind her mother's disapproval, she uncovers secrets about her family and Chase that force her to question everything she thought she knew about life, love, and her unknowable future. Snippets of a love story from 19th-century China (a retelling of the Chinese folktale *The Butterfly Lovers*) are interspersed with Ali's narrative and intertwined with her fate.
