Wild

From Lost to Found on the Pacific Crest Trail *Vintage*

Traces the personal crisis the author endured after the death of her mother and a painful divorce, which prompted her ambition to undertake a dangerous 1,100-mile solo hike that both drove her to rock bottom and helped her to heal.

Wild

A Journey from Lost to Found

Wild (Oprah's Book Club 2.0 Digital Edition)

From Lost to Found on the Pacific Crest Trail *Vintage*

#1 NATIONAL BESTSELLER At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl Strayed's national best seller, Wild, features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. One of the Best Books of the Year: NPR, The Boston Globe, Entertainment Weekly, Vogue, St. Louis Dispatch

Torch *Vintage*

In her debut novel, the bestselling author of Wild weaves a searing and luminous tale of a family's grief after unexpected loss. "Work hard. Do good. Be incredible!" is the advice Teresa Rae Wood shares with the listeners of her local radio show, Modern Pioneers, and the advice she strives to live by every day. She has fled a bad marriage and rebuilt a life with her children, Claire and Joshua, and their caring stepfather, Bruce. Their love for each other binds them as a family through the daily struggles of making ends meet. But when they received unexpected news that Teresa, only 38, is dying of cancer, their lives all begin to unravel and drift apart. Strayed's intimate portraits of these fully human characters in a time of crisis show the varying truths of grief, forgiveness, and the beautiful terrors of learning how to keep living.

Wild

From Lost to Found on the Pacific Crest Trail Summary & Analysis

The book tells the story of Cheryl Strayed and the trials she'd undergone ever since her mother Bobbi was diagnosed with cancer when Cheryl was just 22. In the book, she recalls aspects in her life that had led her to take the Pacific Crest Trail and the various people she'd met along the way. She had received so much kindness throughout the journey and had grown over the past few months on the trip with realizations that were captivating because of the reality they'd stemmed from. Wild From Lost to Found on the Pacific Crest Trail tells such a wonderful story of how she'd overcome terrible parts of her life in order to live her life happily in the present. Sorrow is a heavy theme in the book, but so is healing, as well as, change. A lot of people go through so much pain in their lives that some find no way out of their personal struggle. Cheryl Strayed had suffered immensely and had made terrible mistakes because of it. But in the end, she has taught her readers that we can't regret what we've done, but rather learn from it and do better when the next time the opportunity arises. DISCLAIMER: This is an unofficial summary & analysis and NOT the original book.

Brave Enough *Knopf*

NATIONAL BEST SELLER • From the #1 New York Times best-selling author of Wild, a collection of quotes—drawn from the wide range of her writings—that capture her wisdom, courage, and outspoken humor, presented in a gift-sized package that's as irresistible to give as it is to receive. "Cheryl Strayed is a tough-love truth-teller." —The Washington Post Around the world, thousands of people have found inspiration in the words of Cheryl Strayed, who in her three prior books and in her "Dear Sugar" columns has shared the twists and trials of her remarkable life. Her honesty, spirit, and ample supply of tough love have enabled many of us, even in the darkest hours, to somehow put one foot in front of the other—and be brave enough. This book gathers, each on a single page, more than 100 of Strayed's indelible quotes and thoughts—"mini instruction manuals for the soul" that urge us toward the incredible capacity for love, compassion, forgiveness, and endurance that is within us all. Be brave enough to break your own heart. You can't ride to the fair unless you get on the pony. Keep walking. Acceptance is a small, quiet room. Romantic love is not a competitive sport. Forward is the direction of real life. Ask yourself: What is the best I can do? And then do that.

Lost in the Wild

Danger and Survival in the North Woods *Minnesota Historical Society*

"True survival odysseys of two wilderness adventurers who entered the woods in search of tranquility-- but found something else entirely"--Page 4 of cover.

Into the Wild *Anchor*

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's

uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Lost in the Wild

A Choose Your Path Book Adventure Publications

It's supposed to be a fun camping trip with your family. But when your sister and you get caught in a terrible thunderstorm, your relaxing vacation becomes an endless struggle to stay alive! Do you have what it takes to save your sister and yourself from unknown dangers? Or will your choices lead to a tragic ending? Put yourself in this adventure and find out. Test your survival skills with outcomes affected by your decisions!

Wild Wild

From Lost to Found on the Pacific Crest Trail

The trees were tall, but I was taller, standing above them on a steep mountain slope in northern California. Moments before, I'd removed my hiking boots and the left one had fallen into those trees, first catapulting into the air when my enormous backpack toppled onto it, then skittering across the gravelly trail and flying over the edge. It bounced off of a rocky outcropping several feet beneath me before disappearing into the forest canopy below, impossible to retrieve. I let out a stunned gasp, though I'd been in the wilderness thirty-eight days and by then I'd come to know that anything could happen and that everything would. But that doesn't mean I wasn't shocked when it did. My boot was gone. Actually gone. I clutched its mate to my chest like a baby, though of course it was futile. What is one boot without the other boot? It is nothing. It is useless, an orphan forevermore, and I could take no mercy on it. It was a big lug of a thing, of genuine heft, a brown leather Raichle boot with a red lace and silver metal fasts. I lifted it high and threw it with all my might and watched it fall into the lush trees and out of my life. I was alone. I was barefoot. I was twenty-six years old and an orphan too. An actual stray, a stranger had observed a couple of weeks before, when I'd told him my name and explained how very loose I was in the world. My father left my life when I was six. My mother died when I was twenty-two. In the wake of her death, my stepfather morphed from the person I considered my dad into a man I only occasionally recognized. My two siblings scattered in their grief, in spite of my efforts to hold us together, until I gave up and scattered as well. In the years before I pitched my boot over the edge of that mountain, I'd been pitching myself over the edge too. I'd ranged and roamed and railed from Minnesota to New York to Oregon and all across the West until at last I found myself, bootless, in the summer of 1995, not so much loose in the world as bound to it.

Tiny Beautiful Things

Advice on Love and Life from Dear Sugar Vintage

Collects top-selected postings on life and relationships from The Rumpus' popular "Dear Sugar" online column, sharing recommendations on everything from infidelity and grief to marital boredom and financial hardships. Original. 40,000 first printing.

This unofficial companion to Cheryl Strayed's "Wild: From Lost to Found on the Pacific Crest Trail" contains a chapter by chapter analysis of the book, a summary of the plot, a guide to major characters / themes, and more.BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book.

The Cold Vanish

Seeking the Missing in North America's Wildlands Grand Central Publishing

Perfect for readers of Jon Krakauer and Douglas Preston, this "authentic and encyclopedic" book examines real-life cases of those who vanish in the wilderness without a trace (Roman Dial)—and those eccentric, determined characters who try to find them. These are the stories that defy conventional logic. The proverbial vanished without a trace incidences, which happen a lot more (and a lot closer to your backyard) than almost anyone thinks. These are the missing whose situations are the hardest on loved ones left behind. The cases that are an embarrassment for park superintendents, rangers and law enforcement charged with Search & Rescue. The ones that baffle the volunteers who comb the mountains, woods and badlands. The stories that should give you pause every time you venture outdoors. Through Jacob Gray's disappearance in Olympic National Park, and his father Randy Gray who left his life to search for him, we will learn about what happens when someone goes missing. Braided around the core will be the stories of the characters who fill the vacuum created by a vanished human being. We'll meet eccentric bloodhound-handler Duff and R.C., his flagship purebred, who began trailing with the family dog after his brother vanished in the San Gabriel Mountains. And there's Michael Neiger North America's foremost backcountry Search & Rescue expert and self-described "bushman" obsessed with missing persons. And top researcher of persons missing on public wildlands Ex-San Jose, California detective David Paulides who is also one of the world's foremost Bigfoot researchers. It's a tricky thing to write about missing persons because the story is the absence of someone. A void. The person at the heart of the story is thinner than a smoke ring, invisible as someone else's memory. The bones you dig up are most often metaphorical. While much of the book will embrace memory and faulty memory—history—The Cold Vanish is at its core a story of now and tomorrow. Someone will vanish in the wild tomorrow. These are the people who will go looking.

The Hollow City St. Martin's Press

Paranoid schizophrenic Michael Shipman's hallucinations and complex horror fantasies are complicated by his discovery of what may or may not be real monsters.

How to Teach a Slug to Read Marshall Cavendish

Provides simple, step-by-step instructions for teaching a slug how to read, including using Mother Slug rhymes, helping your slug sound out words, and making vocabulary lists.

Contents May Have Shifted: A Novel W. W. Norton & Company

A woman seeking a reprieve from a going-nowhere relationship finds solace in flying to exotic places around the world from Alaska to Bhutan in this new novel from the author of the best-selling Cowboys Are My Weakness. 25,000 first printing.

Empire of Wild

A Novel HarperCollins

“Deftly written, gripping and informative. Empire of Wild is a rip-roaring read!”—Margaret Atwood, From Instagram “Empire of Wild is doing everything I love in a contemporary novel and more. It is tough, funny, beautiful, honest and propulsive—all the while telling a story that needs to be told by a person who needs to be telling it.”—Tommy Orange, author of There There A bold and brilliant new indigenous voice in contemporary literature makes her American debut with this kinetic, imaginative, and sensuous fable inspired by the traditional Canadian Métis legend of the Rogarou—a werewolf-like creature that haunts the roads and woods of native people’s communities. Joan has been searching for her missing husband, Victor, for nearly a year—ever since that terrible night they’d had their first serious argument hours before he mysteriously vanished. Her Métis family has lived in their tightly knit rural community for generations, but no one keeps the old ways . . . until they have to. That moment has arrived for Joan. One morning, grieving and severely hungover, Joan hears a shocking sound coming from inside a revival tent in a gritty Walmart parking lot. It is the unmistakable voice of Victor. Drawn inside, she sees him. He has the same face, the same eyes, the same hands, though his hair is much shorter and he's wearing a suit. But he doesn't seem to recognize Joan at all. He insists his name is Eugene Wolff, and that he is a reverend whose mission is to spread the word of Jesus and grow His flock. Yet Joan suspects there is something dark and terrifying within this charismatic preacher who professes to be a man of God . . . something old and very dangerous. Joan turns to Ajean, an elderly foul-mouthed card shark who is one of the few among her community steeped in the traditions of her people and knowledgeable about their ancient enemies. With the help of the old Métis and her peculiar Johnny-Cash-loving, twelve-year-old nephew Zeus, Joan must find a way to uncover the truth and remind Reverend Wolff who he really is . . . if he really is. Her life, and those of everyone she loves, depends upon it.

The Lost Book of Adventure

from the notebooks of the Unknown Adventurer Frances Lincoln Children's Books

A facsimile edition of the tattered notebooks of the Unknown Adventurer, this love letter to the wild details everything you need to know about how to live and thrive in nature, from the principles of treehouse building to wilderness first aid. If you are reading this, it means my notebooks have been found. I am leaving them here at camp for safekeeping along with a few other belongings that I won't be taking with me. The notebooks are a lifetime's worth of knowledge, which I'm passing on the you. So reads an excerpt from the weatherworn letter discovered by nature enthusiast Teddy Keen on a recent trip to the Amazon, along with sketchbooks filled with details of extraordinary adventures and escapades, expedition advice, and survival methods, annotated with captivating colored-pencil drawings. It is thought that the sketchbooks were created for two young relatives of the author. Drawing on Teddy's knowledge of the outdoors, the pages of the sketchbooks have been carefully transcribed for young readers, as they were originally intended. You'll be transported by riveting adventure tales from around the globe, like being dragged off by a hyena in Botswana, surviving a Saharan dust storm, being woken by an intrepid emperor penguin in Antarctica, and coming face-to-face with a venomous bushmaster (one of the most dangerous snakes on the planet)—all told in lyrical prose and illustrations that wonder at the mysterious beauty of the wild. Having inspired the adventurous spirit in you, the Unknown Adventurer encourages you to set out on your own adventure with information on wild camping, rafting, exploration, and shelters and dens, plus tips on first aid and tying knots. Expert instructions on wilderness basics, like building a fire, what to do if you get lost, and how to build various types of shelters are accompanied by more specific skills culled from many years of experience, like baking campfire bread, creating a toothbrush from a twig, making a suture from soldier ants, and even how to pan for gold. Find your way back to your primal self with the immersive text and glorious color artwork of this one-of-a-kind adventure book. REMEMBER: be good, be adventurous...and look after your parents.

Wild by Nature

From Siberia to Australia, Three Years Alone in the Wilderness on Foot Macmillan

One woman 10,000 miles on foot 6 countries 8 pairs of hiking boots 3,000 cups of tea 1,000 days and nights "The only way to survive three years of walking was to embrace the moment of now."—from Wild by Nature Not since Cheryl Strayed gifted us with her adventure on the Pacific Crest Trail in her memoir, Wild, has there been such a powerful epic adventure by a woman alone. In Wild by Nature, National Geographic Explorer Sarah Marquis takes you on the trail of her ten-thousand-mile solo hike across the remote Gobi desert from Siberia to Thailand, at which point she was transported by boat to complete the hike at her favorite tree in Australia. Against nearly insurmountable odds and relying on hunting and her own wits, Sarah Marquis survived the Mafia, drug dealers, thieves on horseback who harassed her tent every night for weeks, temperatures from subzero to scorching, life-threatening wildlife, a dengue fever delirium in the Laos jungle, tropic ringworm in northern Thailand, dehydration, and a life-threatening abscess. This is an incredible story of adventure, human ingenuity, persistence, and resilience that shows firsthand what it is to adventure as a woman in the most dangerous of circumstance, what it is to be truly alone in the wild, and why someone would challenge themselves with an expedition others would call crazy. For Marquis, her story is about freedom, being alive and wild by nature.

Saving the Wild South

The Fight for Native Plants on the Brink of Extinction UNC Press Books

The American South is famous for its astonishingly rich biodiversity. In this book, Georgann Eubanks takes a wondrous trek from Alabama to North Carolina to search out native plants that are endangered and wavering on the edge of erasure. Even as she reveals the intricate beauty and biology of the South's plant life, she also shows how local development and global climate change are threatening many species, some of which have been graduated to the federal list of endangered species. Why should we care, Eubanks asks, about North Carolina's Yadkin River goldenrod, found only in one place on earth? Or the Alabama canebrake pitcher plant, a carnivorous marvel being decimated by criminal poaching and a booming black market? These plants, she argues, are important not only to the natural environment but also to southern identity, and she finds her

inspiration in talking with the heroes—the botanists, advocates, and conservationists young and old—on a quest to save these green gifts of the South for future generations. These passionate plant lovers caution all of us not to take for granted the sensitive ecosystems that contribute to the region's long-standing appeal, beauty, and character.

Tales of a Female Nomad

Living at Large in the World *Crown*

The true story of an ordinary woman living an extraordinary existence all over the world. “Gelman doesn’t just observe the cultures she visits, she participates in them, becoming emotionally involved in the people’s lives. This is an amazing travelogue.” —Booklist At the age of forty-eight, on the verge of a divorce, Rita Golden Gelman left an elegant life in L.A. to follow her dream of travelling the world, connecting with people in cultures all over the globe. In 1986, Rita sold her possessions and became a nomad, living in a Zapotec village in Mexico, sleeping with sea lions on the Galapagos Islands, and residing everywhere from thatched huts to regal palaces. She has observed orangutans in the rain forest of Borneo, visited trance healers and dens of black magic, and cooked with women on fires all over the world. Rita’s example encourages us all to dust off our dreams and rediscover the joy, the exuberance, and the hidden spirit that so many of us bury when we become adults.

Forget the Alamo

The Rise and Fall of an American Myth *Penguin*

A New York Times bestseller! “Lively and absorbing. . .” — The New York Times Book Review “Engrossing.” —Wall Street Journal “Entertaining and well-researched . . .” —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as Forget the Alamo definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

That Night *Ebury Press*

What happens when an innocent prank goes horribly wrong? Natasha, Riya, Anjali and Katherine were best friends in college - each different from the other yet inseparable - until that night. It was the night that began with a bottle of whisky and a game of Ouija but ended with the death of Sania, their unlikeable hostel mate. The friends vowed never to discuss that fateful night, a pact that had kept their friendship and guilt dormant for the last twenty years. But now, someone has begun to mess with them, threatening to reveal the truth that only Sania knew. Is it a hacker playing on their guilt or has Sania's ghost really returned to avenge her death? As the faceless enemy closes in on them, the friends come together once again to recount what really happened that night. But when the story is retold by each of them, the pieces don't fit. Because none of them is telling the whole truth . . . That Night is a dark, twisted tale of friendship and betrayal that draws you in and confounds you at every turn.

A Walk in the Woods *Anchor Canada*

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, A Walk in the Woods will add a whole new audience to the legions of Bill Bryson fans.

Cowboys Are My Weakness: Stories *W. W. Norton & Company*

"Exhilarating, like a swift ride through river rapids with a spunky, sexy gal handling the oars."—Washington Post Book World In Pam Houston's critically acclaimed collection of strong, shrewd, and very funny stories, we meet smart women who are looking for the love of a good man, and men who are wild and hard to pin down. "I've always had this thing for cowboys, maybe because I was born in New Jersey," says the narrator in the collection's title story. "But a real cowboy is hard to find these days, even in the West." Our heroines are part daredevil, part philosopher, all acute observers of the nuances of modern romance. They go where their cowboys go, they meet cowboys who don't look the part – and they have staunch friends who give them advice when the going gets rough. Cowboys Are My Weakness is a refreshing and realistic look at men and women – together and apart.

Wild West Movies, Or, How the West was Found, Won, Lost, Lied About, Filmed and Forgotten *Bloomsbury Pub Limited*

From his acclaimed study of horror films, Nightmare Movies, Kim Newman turns his attention to the western. Against the backdrop of American history, popular mythology and the development of the cinema, the book examines the main themes and tensions of the genre. With reference to thousands of films and hundreds of directors and actors Newman brings his entertaining, wide-ranging and authoritative approach to bear on one of the cinema's most popular genres - with illuminating results.

Eat, Pray, Love

One Woman's Search for Everything Across Italy, India and Indonesia *Riverhead Books*

Traces the author's decision to quit her job and travel the world for a year after suffering a midlife crisis and divorce, an endeavor that took her to three places in her quest to explore her own nature, experience fulfillment and learn the art of spiritual balance. (Biography & autobiography). Reissue. A best-selling book. Movie tie-in.

Girlchild

A Novel *Farrar, Straus and Giroux*

Rory Hendrix is the least likely of Girl Scouts. She hasn't got a troop or even a badge to call her own. But she's checked the Handbook out from the elementary school library so many times that her name fills all the lines on the card, and she pores over its surreal advice (Uniforms, disposing of outgrown; The Right Use of Your Body; Finding Your Way When Lost) for tips to get off the Calle: that is, the Calle de las Flores, the Reno trailer park where she lives with her mother, Jo, the sweet-faced, hard-luck bartender at the Truck Stop. Rory's been told that she is one of the "third-generation bastards surely on the road to whoredom." But she's determined to prove the county and her own family wrong. Brash, sassy, vulnerable, wise, and terrified, she struggles with her mother's habit of trusting the wrong men, and the mixed blessing of being too smart for her own good. From diary entries, social workers' reports, half-recalled memories, arrest records, family lore, Supreme Court opinions, and her grandmother's letters, Rory crafts a devastating collage that shows us her world even as she searches for the way out of it. Tupelo Hassman's Girlchild is a heart-stopping and original debut.

The Novel

A Novel *Dial Press Trade Paperback*

In this riveting, ambitious novel from James A. Michener, the renowned chronicler of epic history turns his extraordinary imagination to a world he knew better than anyone: the world of books. Lukas Yoder, a novelist who has enjoyed a long, successful career, has finished what he believes to be his final work. Then a tragedy strikes in his community, and he becomes obsessed with writing about it. Meanwhile, Yoder's editor fights to preserve her integrity—and her author—as her firm becomes the target of a corporate takeover; a local critic who teaches literature struggles with his ambitions and with his feelings about Yoder’s success; and a devoted reader holds the key to solving the mystery that haunts Yoder’s hometown. Praise for The Novel “Michener explores some of the deepest issues raised by narrative literature.”—The New York Times “A good, old-fashioned, sink-your-teeth-into-it story . . . The Novel lets us see an unfamiliar side of the author, at the same time portraying the delicate, complex relationship among editors, agents and writers.”—The Philadelphia Inquirer “Michener loves literature, and his information about some of his favorite reading is almost as alluring as his explanation of how to handle a manuscript.”—Associated Press “So absorbing you simply will not want [it] to end.”—Charleston News & Courier

The Optimist's Daughter *Vintage*

This Pulitzer Prize–winning novel tells the story of Laurel McKelva Hand, a young woman who has left the South and returns, years later, to New Orleans, where her father is dying. After his death, she and her silly young stepmother go back still farther, to the small Mississippi town where she grew up. Along in the old house, Laurel finally comes to an understanding of the past, herself, and her parents.

Wild Salvation

A Novel *Rowman & Littlefield*

Johnson is accused of assaulting a white woman, a deadly charge for a black man in 1876. Knowing he'll be lynched if he stays in St. Andrews, Indiana, Johnson flees to the grassy plains of Kansas looking for the freedom unavailable to him back East. What Johnson doesn't know is that the woman’s father is a powerful businessman determined to track him down. For a man on the run, the West seems like the perfect place for someone withdrawn like Johnson to become a new person, until a top Pinkerton agent named Cole Charles comes into town hunting outlaws. When Cole Charles discovers Johnson is a wanted man, Johnson has no choice but to flee again. This time he escapes to Fort Worth, Texas, where he meets a rowdy woman named Eddie who is quick with a joke and even quicker with her pistol. Despite his lack of experience, Eddie hires Johnson to be a wrangler on a cattle drive made up of other black cowboys headed to Wyoming. With Cole Charles on his trail, the cattle drive will take Johnson further than he ever imagined and force him to confront his greatest fear when he comes face to face with Cole Charles himself.

Charlie and the Chocolate Factory (Colour Edition) *Penguin UK*

Roald Dahl's Charlie and the Chocolate Factory in glorious full colour. Mr Willy Wonka is the most extraordinary chocolate maker in the world. And do you know who Charlie is? Charlie Bucket is the hero. The other children in this book are nasty little beasts, called: Augustus Gloop - a great big greedy nincompoop; Veruca Salt - a spoiled brat; Violet Beauregarde - a repulsive little gum-chewer; Mike Teavee - a boy who only watches television. Clutching their Golden Tickets, they arrive at Wonka's chocolate factory. But what mysterious secrets will they discover? Our tour is about to begin. Please don't wander off. Mr Wonka wouldn't like to lose any of you at this stage of the proceedings . . . Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! inspired by the revolting Twits.

The Dark Wild *Penguin*

"After gathering together the Last Wild, the last animals still alive, Kester Jaynes is faced with a new task--facing the Dark Wild, the animals who live underground and want to destroy humankind"--

Cloris *Kensington Books*

The “frank . . . salty . . . [and] delicious” New York Times–bestselling memoir of the Oscar-winning actress and show business icon (Kirkus Reviews). She received a record-breaking nine Emmy Awards, two of them as the irrepressible Phyllis on The Mary Tyler Moore Show; she won an Oscar for her role as a frustrated housewife in The Last Picture Show; she delighted audiences with her hilarious turns in Mel Brooks’s Young Frankenstein and High Anxiety; and she took home more than a dozen other awards in a career that has spanned seventy years and counting. Now, the incomparable Cloris Leachman reflects on her amazing life and illustrious career from her hometown in Des Moines, Iowa, (where she first saw Katharine Hepburn perform on stage, never imagining they would one day do Shakespeare together) to Hollywood, Broadway, and television. Leachman’s journey has been filled with laughter and tears, marriage and motherhood, tragedy and triumph. Along the way, she shares personal anecdotes about Marlon Brando, Meryl Streep, Diane Keaton, Sissy Spacek, Paul Newman, Steve McQueen, the Kennedy family, and many others. Funny, candid,

brilliant, and altogether human, this is the real Cloris Leachman—as you’ve never seen her before. “Charming.” —People “Funny, gimlet-eyed and unpretentious—someone get this woman a talk show.” —Kirkus Reviews “She lives what she preaches.” —Library Journal

Wild

From Lost to Found on the Pacific Crest Trail *Large Print Press*

Traces the personal crisis the author endured after the death of her mother and a painful divorce, which prompted her ambition to undertake a dangerous thousand-mile solo hike that both drove her to rock bottom and helped her to heal.

Seeking Peace

Chronicles of the Worst Buddhist in the World *Penguin*

In this inspiring memoir, the author of *Reviving Ophelia* explores her personal search for understanding, tranquility, and respect through her work as a psychologist and seeker. "There are three kinds of secrets," Pipher says. "Those we keep from everyone,

The Best American Essays 2013 *Houghton Mifflin Harcourt*

Curated by the #1 New York Times bestselling author of *Wild*, this volume shares intimate perspectives from some of today’s most acclaimed writers. As Cheryl Strayed explains in her introduction, “the invisible, unwritten last line of every essay should be and nothing was ever the same again.” The reader, in other words, should feel the ground shift, if even only a bit. In this edition of the acclaimed anthology series, Strayed has gathered twenty-six essays that each capture an inexorable, tectonic shift in life. Personal and deeply perceptive, this collection examines a broad range of life experiences—from a man’s relationship with Mormonism to a woman’s search for a serial killer; from listening to the music of Joni Mitchell to surviving five months at sea; from triaging injured soldiers to giving birth to a daughter; and much more. The Best American Essays 2013 includes entries by Alice Munro, Zadie Smith, John Jeremiah Sullivan, Dagoberto Gilb, Vicki Weiqi Yang, J.D. Daniels, Michelle Mirsky, and others.

The Memory Palace

A Memoir *Simon and Schuster*

The daughter of piano prodigy Norma Herr describes how she and her sister were forced by their mother's violent schizophrenic episodes to discontinue contact with her until the author's debilitating injury changed her sense of the world and enabled a healing reconciliation.
