As for manual vs automatic. Manual is low cost maintenance in case of problems compared to automatic. However, if the manual car is badly driven, you will experience a lot of problems with the gears themselves. I would suggest replacing the clutch as soon as possible after you buy the car since it is 15 years old. It will make a smoother drive.

The 335i is simply a junior version of the 535i, but not where it counts. The 335i's acceleration with a manual transmission is quick and decisive. The automatic transmission in the 535i makes the 3-liter inline-six only slightly less enthralling. It doesn't take much, though, to get either up to 90 mph in a hurry.
