Mercedes R107 Manual Transmission

Th manual tranny gives you more control over the acceleration and gives it a sportier feel. It tends to clunk a little, but replacing the rear flex plate (about \$250 w/ labor) fixes that. I get a lot of kudos and suprised looks from 107 enthusiast when they see the stick. For that alone, worth it.

Your manual transmission can take a heck of a beating over the years and it is one of the most neglected service areas on a car. The fluid assists in the lubrication and heat disputation of the transmission, and even though it is in a closed environment, the fluid can become old and contaminated. It should be checked for level and changed as per the vehicles service manual.
