Global Justice and International Economic Law: Three Takes ...

In international justice the nation or state is taken as the central entity of concern and justice among nations or states is the focus. In the domain of global justice, by contrast, theorists do not seek primarily to define justice between states or nations. Rather they drill down through the state shell and inquire about what justice among human beings consists in. Global justice inquiries take individual human beings as of primary concern and seek to give an account of what fairness among ...

Global Justice (Stanford Encyclopedia of Philosophy)

Global justice is an issue in political philosophy arising from the concern about unfairness. It is sometimes understood as a form of internationalism.
