Working Papers In Auditing

Working papers
provide evidence that
an effective, efficient,
and economic audit

has been carried out.
They should therefore
be prepared with care
and skill. They should
be sufficiently detailed
and complete so that
an auditor with no
previous experience of
that audit can
understand the
working papers in
terms of the work
completed, the
conclusions reached,
and the reasoning
behind these
conclusions.

Audit working papers | F8 Audit and Assurance | ACCA ...

Working papers
provide basic evidence
of audit conducted in
accordance with
standard audit
practices. They help
the auditor in writing
the report. They help
the auditor in writing
the report. The quality

of audit work performed by the auditor can be judged by the character and contents of working papers prepared and maintained by the auditor.

Audit Working Papers | Importance | Objectives | Contents

Audit working papers are used to document the information gathered during an audit. They provide evidence that sufficient information was obtained by an auditor to support his or her opinion regarding the underlying financial statements. Working papers also provide evidence that an audit was properly planned and supervised.
