Prevention And Intervention Programs For

Over the past decade researchers have identified intervention strategies and program models that reduce delinquency and promote pro-social development.

Preventing delinquency, says Peter Greenwood, not only saves young lives from being wasted, but also prevents the onset of adult criminal careers and thus reduces the burden of crime on its victims and on society.

Prevention and intervention programs for juvenile offenders

Investing in successful delinquency-prevention

programs can save taxpayers seven to ten dollars for every dollar invested, primarily in the form of reduced spending on prisons. According to Greenwood, researchers have identified a dozen "proven" delinquency-prevention programs. Another twenty to thirty "promising" programs are still being tested.
