Caring and friendly, approachable and knowledgeable. I am happy to see dogs and cats with all sorts of skin and ear problems.

David Godfrey Dermatology - veterinary

dermatology for ...

Dermatology. Despite the fact that the skin is the only organ you can visualise, touch and smell, dermatological problems are difficult to diagnose and manage. Dermatology - the study of skin diseases is arguably the most demanding discipline in small animal medicine. The skin can only react in a limited number of ways to a whole host of diseases, and as such unravelling the diagnosis is often, likened to an investigation of a crime scene. ie.
