A funny, uplifting romcom that will make you smile *Hera books Ltd*

'I simply couldn't put this down. I laughed out loud several times before I'd even finished the first chapter.' Jules Wake, author of *The Spark* and *The Saturday Morning Park Run* Amelia might have met The One. But is she twenty years too late? After her husband left her out of the blue, the only relationship 48-year-old Amelia Simpson has enjoyed recently is with Nutella and Pinot Grigio.

While her 8-year-old twin boys, Jasper and Rupert, keep her busy, Amelia dreams of a life more than washing muddy rugby kits and weekly chats with best friends Sian and Jamie. Amelia needs some magic back in her life - but magic seems in short supply in her small Welsh town. So when she finds the phone number that was given to her twenty years ago by a handsome stranger in New York, Amelia wonders whether he might be The One That Got Away. But when Sian takes matters into her own hands, launching a worldwide hunt to find the handsome stranger Amelia met outside Tiffany's two decades ago, Amelia finds herself on a flight to the Big Apple to reconnect with her 'Perfect Patrick'. But as the two explore the sights of NYC, has Amelia

reconnected with The One? Or will she discover that the sparkle she was missing is actually closer to home? A gorgeously funny and heart-warming debut romcom for fans of Sophie Randal, Jo Watson and Beth O'Leary. Twice in a Lifetime *Grand Central Publishing*

Sunset, Missouri, 1954. As hope flourishes in postwar America, a young widow dares to dream of a second chance at a forever love . . . TWICE IN A LIFETIME Clara Sinclair has learned to

live one lonely day at a time. It was the only way she managed to survive her husband's death in World War II and raise their young son alone. But now she's at a loss as to how to handle the defiant teenager he has become, even as she struggles to keep her family financially afloat. She's fresh out of ways to turn her luck around-until a daring stranger's unexpected kindness sparks hope she hasn't felt in a long time... Drake McCoy lives for risk, speed, and putting his incredible drag racing skills to the test. One night in this quiet rural town is all he needs to win a big score and be on his way . . . until he meets Clara. Drawn in by her quiet strength and her beauty, Drake is tempted to become someone he never imagined-a family man. But a vicious and unseen

enemy is closing in fast, throwing Drake and Clara's fragile future into a dangerous tailspin. Can their love survive?

Twice in a Blue Moon *Simon and Schuster*

From the New York Times bestselling author of *The Unhoneymooners* and the “delectable, moving” (*Entertainment Weekly*) *My Favorite Half-Night Stand* comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones’s first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes,

dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world’s biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he’s the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it’s possible to do the wrong thing for the right reason... and whether “once in a lifetime” can come around twice. With Christina Lauren’s

signature “beautifully written and remarkably compelling” (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.

The Yellow Brick Road Gang, otherwise known as Metaphysical Misadventures in the Search for Enlightenment, is a circle of women who came together as a book club. Together they began a spiritual search -- and throughout the last eight years each woman has arrived at the realization that after all their searching for knowledge they've come full circle. The only constant is change and the only thing they know for certain is they know nothing. Anything is possible. Isabel turns fifty the day after the seventh anniversary of her husband's death.

She's convinced she will never find love again -- and the Gang is convinced that all she needs to do is start taking some of her own great advice. When she meets Joshua--a younger man who wants to give her lessons on love and metaphysics--she finally gives in, heedless of the danger to her heart. But Joshua is both more and less than what he appears to be, and Isabel has to come to terms with herself -- and with Joshua's wonderful and strange provenance. The only way is through the yellow brick road -- which leads Isabel right back home, to the miracles within herself. Before Baby Doll, Chase thought life was pretty good. He is a successful NY City magazine publisher and world traveler, with a few sincere friends and the envy of many. He is locked into a respectable New England marriage with all the trappings, minus the pre-nuptials. He lives in a mansion overlooking a golf course with his loyal wife of twenty-plus years. Until now, the only woman he has ever loved. As a big shot New York publisher, Chase is driven like a demon to succeed. It's simply what the business demands. Chase and Baby Doll, his advertising director, share everything—from the same office coffee urn, the stunning views of the Manhattan skyline and whatever they contributed to

the magazine's bottom line success. And they share much more. Chases's wife, Honey, is so wrapped up in her own artistic success, she never sees the warning signs her marriage is in trouble. As for Baby Doll, she didn't realize how much she loves and needs Chase until he is transferred to a new job. At the center of this ongoing love triangle, Chase struggles with the impossibility of loving two women, knowing he run the risk of losing them both. Their careers and love lives careen from Manhattan to Paris and back again. The taut, roller coaster ride drags them all to hell and back. Ultimately, it's a novel about getting second chances in life and, then, leaving nothing to chance.

'The stories in this collection brilliantly draw a world through brief details and coincidence.' - The Manchester Review. A woman receives a postcard from a married man she's never met, addressed, it would seem, to his mistress... A successful business man tries to scheme his way out of a paternity test by offering his less fortunate brother a deal he cannot refuse... A teenage boy escapes the grief-stricken atmosphere of his home, in the wake of his brother's death, by taking refuge in the immaculate violence of American horror movies... Each of Sverrisson's stories offers an intricate study in the precariousness of life, the frailty of every fleeting opportunity. Characters are scarred by simple,

careless actions. Lives turn on the smallest events: a child steals cash from his father for a pretend-money game and unwittingly throws his brother's entire life off balance; a man has a one-night stand with a married woman and only realises the consequences years later; an overbearing girlfriend sends her cynical boyfriend a letter that stops him in his tracks. Yet amid the anonymity of urban life, the random accidents and mistaken identities that make up Sverrisson's stories, there can also be found an abiding faith in the unexpected gifts that chance throws up: synchronicities, coincidences, moments in time seen from new perspectives that offer fresh secrets, and, occasionally, even a second chance. 'A splendid collection... Sverrisson is a great author

who cunningly masters the spare form of the short story.' — Páll Baldvin Baldvinsson

NEW YORK TIMES BEST SELLER • Sharon Stone tells her own story: a journey of healing, love, and purpose. • “Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —O, The Oprah Magazine Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn’t accept failure, in a world where

too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family’s

reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it’s those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it’s a celebration of women’s strength and resilience, a reckoning, and a call to activism. It is proof that it’s never too late to raise your voice and speak out.

Revenge of the Scapegoat *New York Review of Books*

From the author of *Blackfishing the IUD*, a darkly hilarious novel about familial trauma, chronic illness, academic labor, and contemporary art. In the tradition of Rabelais, Swift, and Fran Ross—the

tradition of biting satire that joyfully embraces the strange and fantastical—and drawing upon documentary strategies from Sheila Heti, Caren Beilin offers a tale of familial trauma that is also a broadly inclusive skewering of academia, the medical industry, and the contemporary art scene. One day Iris, an adjunct at a city arts college, receives a terrible package: recently unearthed letters that her father had written to her in her teens, in which he blames her for their family's crises. Driven by the raw fact of receiving these devastating letters not once but twice in a lifetime, and in a panic of chronic pain brought on by rheumatoid arthritis, Iris escapes to the countryside—or some absurdist version of it. Nazi cows, Picassos used as

tampons, and a pair of arthritic feet that speak in the voices of Flaubert's Bouvard and Pécuchet are standard fare in this beguiling novel of odd characters, surprising circumstances, and intuitive leaps, all brought together in profoundly serious ways.
