How to Talk to a Student - Classroom Mental Health

First, two quick caveats. One: I believe students need to talk. People need to talk. So if you're shooting for a classroom environment where students sit silently and do rote seat work all day long, where they never have an opportunity to talk to their peers, where they never get out of their seats, and where the work is not engaging, you are going to have problems.

While mindfulness and yoga can be really helpful, I'm someone who needs to have my problems listened to. When I'm feeling low, I try to talk openly and immediately about it to my friends. Often it may feel weak to be vulnerable, but this couldn't be more wrong: being open and vulnerable takes bravery and courage.
