Are we Becoming more Radical? The Rise of Democratic Socialism in America

Radical Possibilities Public Policy Urban

The core argument of Jean Anyon's classic *Radical Possibilities* is deceptively simple: if we do not direct our attention to the ways in which federal and metropolitan policies maintain the poverty that plagues communities in American cities, urban school reform as currently conceived is doomed to fail. With every chapter thoroughly revised and updated, this edition picks up where the 2005 publication left off, including a completely new chapter detailing how three decades of political ...

Radical Possibilities: Public Policy, Urban Education, and a New Social Movement. Jean Anyon's groundbreaking new book reveals the influence of federal and metropolitan policies and practices on the poverty that plagues schools and communities in American cities and segregated, low-income suburbs.

Radical Possibilities: Public Policy, Urban Education, and ...

The message of Radical Possibilities is not all hopeless. Anyon believes in good old-fashioned organizing as a strategy for reversing the downward spiral of urban/metropolitan educational achievement. People like Myles Horton, Sol Alinsky, and Septima Clark understood the power of ordinary people coming together to create change in their communities.

Radical Possibilities (2nd ed.) by Anyon, Jean (ebook)

Radical Possibilities reminds us that historically, equitable public policies

have been typically created as a result of the political pressure brought to bear by social movements. Basing her analysis on new research in civil rights

history and social movement theory, Anyon skillfully explains how the current moment offers serious possibilities for the creation of such a force.
