The Double Cross During World War II, the British developed the Double Cross System. They would find German spies and then turn them into double agents. They were very good at this, turning more than 40 German spies into double agents. They could then use these spies to find out information about the Germans as well as to provide the Germans ...

World War II for Kids: Spies and

Secret Agents

In *Double Crossed*, historian Matthew Avery Sutton tells the extraordinary story of the entwined roles of spy-craft and faith in a world at war. Missionaries, priests, and rabbis, acutely aware of how their actions seemingly conflicted with their spiritual calling, carried out covert operations, bombings, and assassinations within the centers of global religious power, including Mecca, the Vatican, and Palestine.

When someone is double crossed, it means that a partner backed out of a previously-reached agreement. People can double cross each other in a variety of creative ways, ranging from reneging on an agreement outright to doing the opposite of what was agreed upon. As a general rule, this term is associated with treachery, since the assumption is that the agreement was reached in good faith, and the decision to go back on the agreement is a form of betrayal.

What does It Mean to "Double Cross" Someone? (with pictures)

The Double-Cross System or XX System was a World War II counter-espionage and deception operation of the British Security Service. Nazi agents in Britain – real and false – were captured, turned themselves in or simply announced themselves, and were then used by the British to broadcast mainly disinformation to their Nazi controllers. Its operations were overseen by the Twenty Committee under the chairmanship of John Cecil Masterman; the name of the committee comes from the number 20 in ...
