caterpillar 3412 products for sale | eBay

A fair bit comes down to the duty cycle of the engine, for instance an "A" rating (ie continous full load) engine such as a 3412 in a pumping application may do

20000 hrs with little down time but the same 3412 in a "D" rating such as a large pleasure boat will do possibly a lot less as there maybe 1000HP difference between them . Just my 2 cents.
