Economics For Business And Cwg Pack by John Sloman

Businesses need to make choices of what and how much to produce, what techniques to use, who to employ, what

investment to make, where to locate, what markets to develop and how best to compete with rivals. Economics helps them make the right decisions. But making the right decisions depends on the economic environment in which businesses operate. For example, government policy affects business: whether through taxation, subsidies, training and education, regulation or trade policies.
