While many researchers are busy seeking to understand and describe what is "wrong" with today's Black urban

youth, Ginwright advocates a new approach, rooted in social action and activism. He draws on the voices and experiences of Black youth, along with his own experience with activism and healing, to promote a new model for healing the trauma of historical oppression experienced by many in the Black community.

In *Black Youth Rising: Activism and Radical Healing in Urban America*, Shawn Ginwright lays down what he argues is the way to transform urban communities after years of disinvestment and negligence. Through an ethnographic study of Leadership Excellence, a youth organization he founded in Oakland, California, Ginwright features the experiences of young people as a way to define and promote the notion of “radical healing” and to argue that this healing leads to a political stance and ...
