Dead White

I'd never heard of Dead White until I came across it on a horror novel blog. I ordered a used copy from Amazon, and I'm so glad I did. This was one of the best horror novels I've read in a long

The dead white men never had to face the evils of slavery or the physical and emotional oppression of racism. Thus their minds were freer to range over the great philosophical questions, metaphysical quandaries and cosmological dilemmas. The title of this book could readily lead to some confusion if read without concentration; it is not so much about European males who are dead white, as about dead European males who were white. It is a tongue-in-cheek reference to ancient Greek philosophers whose legacy still seems to be relevant to our current lives and cultural values.
