Art of Problem Solving
The Art of Problem Solving. In 1994, Rusczyk and Sandor Lehoczky wrote the Art of Problem Solving books, designed to prepare students for mathematical competitions by teaching them concepts and problem-solving methods rarely taught in school. These books lent their name to the company he founded in 2003. After working for four years as a bond trader for D. E. Shaw & Co., Rusczyk created the ...

The Art and Craft of Problem Solving is a first approximation of my attempt to spread the gospel. I decided to write this book because I could not find any suitable text that worked for my students at the University of San Francisco. There are many nice books with lots of good mathematics out there, but I have found that mathematics itself is not enough. The Art and Craft of Problem Solving is ...
