Liberal feminists of the
'60s, or what Christina
Hoff Sommers, author

of Who Stole Feminism, refers to as “equity feminists,” believed that women should have as much freedom and opportunity as men and that discriminatory laws should be eliminated. 2 However, within a decade, liberal feminism was overtaken by the far more radical “gender feminism,” which, building on Marxist ideology, requires the elimination not only of economic classes but of sex classes, i.e. the division of ...

Deconstruction is an approach to understanding the relationship between text and meaning. It was originated by the philosopher Jacques Derrida (1930–2004),

who defined the term variously throughout his career. In its simplest form it can be regarded as a criticism of Platonism and the idea of true forms, or essences, which take precedence over appearances.
