From the acclaimed, award-winning author—when a dinner-party guest named Miles locks himself in an upstairs room and refuses to come out, he sets off a media frenzy. He also sets in motion a mesmerizing puzzle of a novel, one that harnesses acrobatic verbal playfulness to a truly affecting story. Miles communicates only by cryptic notes slipped under the door. We see him through the eyes of four people who barely know him, ranging from a precocious child to a confused elderly woman. Public Library and Other Stories *Anchor*

From the acclaimed, award-winning author: Why are books so very powerful? What do the books we’ve read over our lives—our own personal libraries—make of us? What does the unraveling of our tradition of public libraries, so hard-won but now in jeopardy, say about us? The stories in Ali Smith’s new collection are about what we do with books and what they do with us: how they travel with us; how they shock us, change us, challenge us, banish time while making us older, wiser and ageless all at once; how they remind us to pay attention to the world we make. Woven between the stories are conversations with writers and readers reflecting on the essential role that libraries have played in their lives. At a time when public libraries around the world face threats of cuts and closures, this collection stands as a work of literary activism—and as a wonderful read from one of our finest authors.

Go Back to Where You Came From: And Other Helpful Recommendations on How to Become American *W. W. Norton & Company*

“Go back to where you came from, you terrorist!” This is just one of the many warm, lovely, and helpful tips that Wajahat Ali and other children of immigrants receive on a daily basis. Go back where, exactly? Fremont, California, where he grew up, but is now an unaffordable place to live? Or Pakistan, the country his parents left behind a half-century ago? Growing up living the suburban American dream, young Wajahat devoured comic books (devoid of brown superheroes) and fielded well-intentioned advice from uncles and aunts. (“Become a doctor!”) He had turmeric stains under his fingernails, was accident-prone, suffered from OCD, and wore Husky pants, but he was as American as his neighbors, with roots all over the world. Then, while Ali was studying at University of California, Berkeley, 9/11 happened. Muslims replaced communists as America’s enemy #1, and he became an accidental spokesman and ambassador of all ordinary, unthreatening things Muslim-y. Now a middle-aged dad, Ali has become one of the foremost and funniest public intellectuals in America. In Go Back to Where You Came From, he tackles the dangers of Islamophobia, white supremacy, and chocolate hummus, peppering personal stories with astute insights into national security, immigration, and pop culture. In this refreshingly bold, hopeful, and uproarious memoir, Ali offers indispensable lessons for cultivating a more compassionate, inclusive, and delicious America.

Winter *Penguin*

"What Smith has achieved in her cycle so far is exactly what we need artists to do in disorienting times: make sense of events, console us, show us how we got here, help us believe that we will find our way through. Often, that's what we lean on the classics for, finding answers in metaphor. But in "Winter," as in "Autumn," Smith gives us a potent, necessary source of sustenance that speaks directly to our age." - The Boston Globe “There are few writers on the world stage who are producing fiction this offbeat and alluring.” – The New York Times The dazzling second novel in Ali Smith's essential Seasonal Quartet--from the Baileys Prize-winning, Man Booker-shortlisted author of Autumn and How to be both Shortlisted for the 2018 Orwell Prize for Political Writing Winter. Bleak. Frosty wind, earth as iron, water as stone, so the old song goes. And now Art's mother is seeing things. Come to think of it, Art's seeing things himself. When four people, strangers and family, converge on a 15 bedroom house in Cornwall for Christmas, will there be enough room for everyone? Winter. It makes things visible. In Ali Smith's Winter, life-force matches up to the toughest of the seasons. In this second novel in her Seasonal cycle, the follow-up to her sensational Autumn, Smith's shapeshifting novel casts a warm, wise, merry and uncompromising eye over a post-truth era in a story rooted in history and memory and with a taproot deep in the evergreens, art and love.

It is a place of pagan mysteries and black storks nesting in giant oaks; a place where every spring, possessed by Christian saints, men and women dance barefoot across live coals in search of rebirth. Here in the mountains, the boy reunites with his grandfather. Here in the mountain, he falls in love with an unobtainable Muslim girl. Old ghosts come back to life and forgotten conflicts, in the name of faith and doctrine, blaze anew. Stork Mountain is an enormously charming, slyly brilliant debut novel from an internationally celebrated writer. It is a novel that will undoubtedly find a home in many readers' hearts.

How to Paint a Dead Man

A Novel *Harper Collins*
"Hall's writing manages to combine acute sensitivity and daring. ... Visceral and engaging. ... The emotional lives of her characters are skillfully realized in this bright weave of disparate voices—for whom art is at once a way of seeing and a way of life." —The Times (London) The lives of four individuals—a dying painter, a blind girl, a landscape artist, and an art curator—intertwine across nearly five decades in this luminous and searching novel of extraordinary power. With *How to Paint a Dead Man*, Sarah Hall, "one of the most significant and exciting of Britain's young novelists" (The Guardian), delivers "a maddeningly enticing read...an amazing feat of literary engineering" (The Independent on Sunday).

The Lagoon

How Aristotle Invented Science *Penguin*
A brilliant study of Aristotle as biologist The philosophical classics of Aristotle loom large over the history of Western thought, but the subject he most loved was biology. He wrote vast volumes about animals. He described them, classified them, told us where and how they live and how they develop in the womb or in the egg. He founded a science. It can even be said that he founded science itself. In *The Lagoon*, acclaimed biologist Armand Marie Leroi recovers Aristotle’s science. He revisits Aristotle’s writings and the places where he worked. He goes to the eastern Aegean island of Lesbos to see the creatures that Aristotle saw, where he saw them. He explores Aristotle’s observations, his deep ideas, his inspired guesses—and the things he got wildly wrong. He shows how Aristotle’s science is deeply intertwined with his philosophical system and reveals that he was not only the first biologist, but also one of the greatest. *The Lagoon* is both a travelogue and a study of the origins of science. And it shows how a philosopher who lived almost two millennia ago still has so much to teach us today.

The Vagrants

A Novel *Random House*
In luminous prose, award-winning author Yiyun Li weaves together the lives of unforgettable characters who are forced to make moral choices, and choices for survival, in China in the late 1970s. Shortlisted for the 2011 International IMPAC Dublin Literary Award Morning dawns on the provincial city of Muddy River. A young woman, Gu Shan, a bold spirit and a follower of Chairman Mao, has renounced her faith in Communism. Now a political prisoner, she is to be executed for her dissent. Her distraught mother, determined to follow the custom of burning her only child’s clothing to ease her journey into the next world, is about to make another bold decision. Shan’s father, Teacher Gu, who has already, in his heart and mind, buried his rebellious daughter, begins to retreat into memories. Neither of them imagines that their daughter’s death will have profound and far-reaching effects, in Muddy River and beyond. In luminous prose, Yiyun Li weaves together the lives of these and other unforgettable characters, including a serious seven-year-old boy, Tong; a crippled girl named Nini; the sinister idler Bashì; and Kai, a beautiful radio news announcer who is married to a man from a powerful family. Life in a world of oppression and pain is portrayed through stories of resilience, sacrifice, perversion, courage, and belief. We read of delicate moments and acts of violence by mothers, sons, husbands, neighbors, wives, lovers, and more, as Gu Shan’s execution spurs a brutal government reaction. Writing with profound emotion, and in the superb tradition of fiction by such writers as Orhan Pamuk and J. M. Coetzee, Yiyun Li gives us a stunning novel that is at once a picture of life in a special part of the world during a historic period, a universal portrait of human frailty and courage, and a mesmerizing work of art. Praise for *The Vagrants* “She bridges our world to the Chinese world with a mind that is incredibly supple and subtle.”—*W Magazine* “A Balzacian look at one community’s suppressed loves and betrayals.”—*Vogue* “A sweeping novel of struggle, survival, and love in the time of oppression. . . . [an] illuminating, morally complex, and symphonic novel.”—*O Magazine*

The Heavens

A Novel *Grove Press*
“This electrifying novel of love, creativity and madness moves between Elizabethan England and 21st-century New York.” —The Guardian A New York Times Notable Book of the Year New York, late summer, 2000. A party in a spacious Manhattan apartment, hosted by a wealthy young activist. Dozens of idealistic twenty-somethings have impassioned conversations over takeout dumplings and champagne. The evening shines with the heady optimism of a progressive new millennium. A young man, Ben, meets a young woman, Kate—and they begin to fall in love. Kate lives with her head in the clouds, so at first Ben isn’t that concerned when she tells him about the recurring dream she’s had since childhood. In the dream, she’s transported to the past, where she lives a second life as Emilia, the mistress of a nobleman in Elizabethan England. But for Kate, the dream becomes increasingly real, to the point where it threatens to overwhelm her life. And soon she’s waking from it to find the world changed—pictures on her wall she doesn’t recognize, new buildings in the neighborhood that have sprung up overnight. As Kate tries to make sense of what’s happening, Ben worries the woman he’s fallen in love with is losing her grip on reality. Both intoxicating and thought-provoking, *The Heavens* is a powerful reminder of the consequences of our actions, a poignant testament to how the people we love are destined to change, and a masterful exploration of the power of dreams. “Heady and elegant.” —The New York Times Book Review “A complex, unmissable work from a writer who deserves wide acclaim.” —Kirkus Reviews (starred review)

Blythe is beautiful, terrifying, and the most popular girl in school. They've never even talked to each other, until a party when Ali decides she'll finally make her move on Sean Nessel, her longtime crush and the soccer team's superstar. But Sean pushes Ali farther than she wants to go. When she resists--he rapes her. Blythe sees Ali when she runs from the party, everyone sees her. And Blythe knows something happened with Sean; she knows how he treats girls. Even so, she's his best friend, his confidant. So Blythe befriends Ali, bringing her into a circle of ruthless popular girls, and sharing her own dark secrets. The Wake

A Novel *Graywolf Press*
"A work that is as disturbing as it is empathetic, as beautiful as it is riveting." —Eimear McBride, New Statesman In the aftermath of the Norman Invasion of 1066, William the Conqueror was uncompromising and brutal. English society was broken apart, its systems turned on their head. What is little known is that a fractured network of guerrilla fighters took up arms against the French occupiers. In *The Wake*, a postapocalyptic novel set a thousand years in the past, Paul Kingsnorth brings this dire scenario back to us through the eyes of the unforgettable Buccmaster, a proud landowner bearing witness to the end of his world. Accompanied by a band of like-minded men, Buccmaster is determined to seek revenge on the invaders. But as the men travel across the scorched English landscape, Buccmaster becomes increasingly unhinged by the immensity of his loss, and their path forward becomes increasingly unclear. Written in what the author describes as "a shadow tongue"—a version of Old English updated so as to be understandable to the modern reader—*The Wake* renders the inner life of an Anglo-Saxon man with an accuracy and immediacy rare in historical fiction. To enter Buccmaster's world is to feel powerfully the sheer strangeness of the past. A tale of lost gods and haunted visions, *The Wake* is both a sensational, gripping story and a major literary achievement.

Don't Look At Me Like That *Granta Books*
In 1950s England, well-brought-up young women are meant to aspire to the respectable life. Some things are not to be spoken of; some are most certainly not to be done. There are rules, conventions. Meg Bailey obeys them. She progresses from Home Counties school to un-Bohemian art college with few outward signs of passion or frustration. Her personality is submerged in polite routines; even with her best friend, Roxane, what can't be said looms far larger than what can. But circumstances change. Meg gets a job and moves to London. Roxane gets married to a man picked out by her mother. And then Meg does something shocking - shocking not only by the standards of her time, but by our own. As sharp and startling now as when it was written, *Don't Look at Me Like That* matches Diana Athill's memoirs *After a Funeral* and *Instead of a Letter* in its gift for storytelling and its unflinching candour about love and betrayal.

Tristano *Verso Books*
This book is unique as no other novel can claim to be: one of 109,027,350,432,000 possible variations of the same work of fiction. Inspired by the legend of Tristan and Isolde, *Tristano* was first published in 1966 in Italian. But only recently has digital technology made it possible to realise the author's original vision. The novel comprises ten chapters, and the fifteen pairs of paragraphs in each of these are shuffled anew for each published copy. No two versions are the same. The random variations between copies enact the variegations of the human heart, as exemplified by the lovers at the centre of the story. The copies of the English translation of *Tristano* are individually numbered, starting from 10,000 (running sequentially from the Italian and German editions). Included is a foreword by Umberto Eco explaining how Balestrini’s experiment with the physical medium of the novel demonstrates ‘that originality and creativity are nothing more than the chance handling of a combination’.

Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! An insightful, delightful new novel from the #1 New York Times bestselling author of Beach Read and People We Meet on Vacation. One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she’s read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters’ trip away—with visions of a small town transformation for Nora, who she’s convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they’ve met many times and it’s never been cute. If Nora knows she’s not an ideal heroine, Charlie knows he’s nobody’s hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they’ve written about themselves. “Emily Henry never fails to deliver ... this may just be her best yet.”—Taylor Jenkins Reid

Another Great Day at Sea

Life Aboard the USS George H.W. Bush *Vintage*

From a writer “whose genre-jumping refusal to be pinned down [makes him] an exemplar of our era” (NPR), a new book that confirms his power to astound readers. As a child Geoff Dyer spent long hours making and blotchily painting model fighter planes. So the adult Dyer jumped at the chance of a residency aboard an aircraft carrier. Another Great Day at Sea chronicles Dyer’s experiences on the USS George H.W. Bush as he navigates the routines and protocols of “carrier-world,” from the elaborate choreography of the flight deck through miles of walkways and hatches to kitchens serving meals for a crew of five thousand to the deafening complexity of catapult and arresting gear. Meeting the Captain, the F-18 pilots and the dentists, experiencing everything from a man-overboard alert to the Steel Beach Party, Dyer guides us through the most AIE (acronym intensive environment) imaginable. A lanky Englishman (could he really be both the tallest and the oldest person on the ship?) in a deeply American world, with its constant exhortations to improve, to do better, Dyer brilliantly records the daily life on board the ship, revealing it to be a prism for understanding a society where discipline and conformity, dedication and optimism, become forms of self-expression. In the process it becomes clear why Geoff Dyer has been widely praised as one of the most original—and funniest—voices in literature. Another Great Day at Sea is the definitive work of an author whose books defy definition.

Contemporary British Novel Since 2000 *Edinburgh University Press*

Focuses on the novels published since 2000 by twenty major British novelistsThe Contemporary British Novel Since 2000 is divided into five parts, with the first part examining the work of four particularly well-known and highly regarded twenty-first century writers: Ian McEwan, David Mitchell, Hilary Mantel and Zadie Smith. It is with reference to each of these novelists in turn that the terms arealist, apostmodernist, ahistorical and apostcolonialist fiction are introduced, while in the remaining four parts, other novelists are discussed and the meaning of the terms amplified. From the start it is emphasised that these terms and others often mean different things to different novelists, and that the complexity of their novels often obliges us to discuss their work with reference to more than one of the terms.Also discusses the works of: Maggie OFarrell, Sarah Hall, A.L. Kennedy, Alan Warner, Ali Smith, Kazuo Ishiguro, Kate Atkinson, Salman Rushdie, Adam Foulds, Sarah Waters, James Robertson, Mohsin Hamid, Andrea Levy, and Aminatta Forna.

Tolstoy's False Disciple: The Untold Story of Leo Tolstoy and Vladimir Chertkov *Simon and Schuster*

The new book from the critically acclaimed author of The Wives and ?Sophia Tolstoy sheds light on one of the strangest and most unusual relationships in literary history—which has been steeped in secrecy for more than a century. On the snowy morning of February 8, 1897, the Petersburg secret police were following Tolstoy's every move. At sixty-nine, Russia's most celebrated writer was being treated like a major criminal. Prominent Russians were always watched, but Tolstoy earned particular scrutiny. Over a decade earlier, when his advocacy on behalf of oppressed minorities angered the Orthodox Church and the Tsar, he was placed under permanent police surveillance. Although Tolstoy was wearing his peasant garb, people on the streets had no trouble recognizing him from his portraits. He was often seen in the company of his chief disciple, Vladimir Chertkov. A man of striking appearance, twenty-five years younger, Chertkov commanded attention. His photographs with Tolstoy show him towering over the writer, but who exactly was this imposing man? Close to the Tsars and to the chief of the secret police, Chertkov represented the very things Tolstoy had renounced --class privilege, unlimited power, and wealth. Yet, Chertkov fascinated and attracted Tolstoy. He became the writer's closest confidant, even reading his daily diary, and by the end of Tolstoy's life, Chertkov had established complete control over the writer and his legacy. Tolstoy’s full exchange with Chertkov comprises more than 2,000 letters, making him the writer’s largest correspondent. The Russian archives have suppressed much of this communication as well as Chertkov’s papers for more than a century. The product of ground-breaking archival research, Tolstoy's False Disciple promises to be a revelatory portrait of the two men and their three-decade-long clandestine relationship.

The True Deceiver *New York Review of Books*

Deception—the lies we tell ourselves and the lies we tell others—is the subject of this, Tove Jansson’s most unnerving and unpredictable novel. Here Jansson takes a darker look at the subjects that animate the best of her work, from her sensitive tale of island life, The Summer Book, to her famous Moomin stories: solitude and community, art and life, love and hate. Snow has been falling on the village all winter long. It covers windows and piles up in front of doors. The sun rises late and sets early, and even during the day there is little to do but trade tales. This year everybody’s talking about Katri Kling and Anna Aemelin. Katri is a yellow-eyed outcast who lives with her simpleminded brother and a dog she refuses to name. She has no use for the white lies that smooth social intercourse, and she can see straight to the core of any problem. Anna, an elderly children’s book illustrator, appears to be Katri’s opposite: a respected member of the village, if an aloof one. Anna lives in a large empty house, venturing out in the spring to paint exquisitely detailed forest scenes. But Anna has something Katri wants, and to get it Katri will take control of Anna’s life and livelihood. By the time spring arrives, the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions.
