With this info, you prepare to embark on interesting literary experiences via the easy act of downloading I Hope They Serve Beer In Hell The Book. Pleased analysis!

I Hope They Serve Beer In Hell Citadel

The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I

am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

I Hope They Serve Beer in Hell *Citadel Press*

"My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world."--Introduction

I Hope They Serve Beer In Hell *Citadel Press*

Assholes Finish First *Simon and Schuster*

Presents a new collection of alcohol-induced "fratire" adventures in hedonism that convey the author's experiences of being intoxicated at inappropriate times, seducing a large number of women, and otherwise living in complete disregard of social norms.

Hilarity Ensues *Simon and Schuster*

The New York Times bestselling author of *I Hope They Serve Beer in Hell* and *Assholes Finish First* delivers a new collection of thirty 100% true, 100% exclusive stories of comically perverse excess. Another installment in Tucker Max's series of stories about his drunken debauchery and ridiculous antics. What began as a simple sentence on an obscure website, "My name is Tucker Max, and I am an asshole," and developed into two infamously genre-defining books, *I Hope They Serve Beer In Hell* and *Assholes Finish First*, ends here. But as you should expect from Tucker by now, he is going out with a bang—literally and figuratively. In this book, you'll learn: * How to live and work in Cancun, while still enrolled in Law School * Why Halloween is really awesome * How to subtly torture a highstrung roommate until he explodes with furious anger over a misplaced condiment * What really happened when a dirty pageant girl tried to sue Tucker because he told the truth * Why you should never accept a homemade treat from a hippie with a van As we've come to learn from Tucker, assholes do finish first...but everything comes with a price.

Mate

Become the Man Women Want *Little, Brown*

The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in *Mate*, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

The Modern Drunkard *Penguin*

Attempting to deconstruct America's joyless obsession with sobriety, *The Modern Drunkard* offers today's befuddled drinkers a comprehensive and instructive manual on the delights of alcohol culture, how to be a good drunk, how to drink, and how to do it well. Through articles, anecdotes, cartoons, and illustrations pulled from our long and happy history of drinking alcohol, Frank Kelly Rich campaigns to revive the lost art of tipling and taps a deep vein of boozy lore and legend through the ages, uncovering etiquette and expertise from some of history's greatest guzzlers.

The Girl with Ghost Eyes

The Daoshi Chronicles, Book One *Simon and Schuster*

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also

the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Trust Me, I'm Lying

Confessions of a Media Manipulator *Penguin*

The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as "astonishing and disturbing" by the Financial Times and "essential reading" by TechCrunch at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. Trust Me, I'm Lying was the first book to blow the lid off the speed and force at which rumors travel online—and get "traded up" the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators, encouraged by the toxic economics of the news business. Whenever you see a malicious online rumor costs a company millions, politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like Ryan Holiday. As he explains, "I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I'm tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I'm pulling back the curtain because it's time the public understands how things really work. What you choose to do with this information is up to you."

Total Frat Move *Grand Central Publishing*

THE NEW YORK TIMES BEST-SELLER Put simply, it's time for a national update on college fraternities. Greek life today makes Animal House look like a Pixar movie. The amount of alcohol that is being consumed, promiscuous sex that is being enjoyed, and intense drug-induced raging that is taking place on campuses across the country has quietly reached ridiculous new heights. Written with the goal of being the most fun you've ever had reading a book, TOTAL FRAT MOVE pulls back the curtain on this world of hard-partying American decadence. The stories are unabashed. They are hilarious. And they are going to blow you away. You're welcome, world.

Tales of Woman

The Last Black Unicorn *Simon and Schuster*

NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of Girls Trip, Tiffany Haddish, comes The Last Black Unicorn, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, The Last Black Unicorn shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

Sloppy Seconds

Cartoons *Plymptoons Publishing*

A collection of humorous cartoons by illustrator Bill Plympton.

Something Other Than God

How I Passionately Sought Happiness and Accidentally Found It *Ignatius Press*

Jennifer Fulwiler told herself she was happy. Why wouldn't she be? She made good money as a programmer at a hot tech start-up, had just married a guy with a stack of Ivy League degrees, and lived in a twenty-first-floor condo where she could sip sauvignon blanc while watching the sun set behind the hills of Austin. Raised in a happy, atheist home, Jennifer had the freedom to think for herself and play by her own rules. Yet a creeping darkness followed her all of her life. Finally, one winter night, it drove her to the edge of her balcony, making her ask once and for all why anything mattered. At that moment everything she knew and believed was shattered. Asking the unflinching questions about life and death, good and evil, led Jennifer to Christianity, the religion she had reviled since she was an awkward, sceptical child growing up in the Bible Belt. Mortified by this turn of events, she hid her quest from everyone except her husband, concealing religious books in opaque bags as if they were porn and locking herself in public bathroom stalls to read the Bible. Just when Jennifer had a profound epiphany that gave her the courage to convert, she was diagnosed with a life-threatening medical condition-and the only treatment was directly at odds with the doctrines of

her new-found faith. Something other than God is a poignant, profound and often funny tale of one woman who set out to find the meaning of life and discovered that true happiness sometimes requires losing it all.

The Alphabet of Manliness *Citadel Press*

The Birth of a Brand

Launching Your Entrepreneurial Passion and Soul *Simon and Schuster*

From baby steps to giant leaps, let Brian Smith, entrepreneurial guru and founder of UGG, mentor and teach you the secret to successful brand creation. "You can't give birth to adults," writes Ugg founder Brian Smith. "The same thinking applies to creating a business." Before UGG became one of America's most beloved brands, lifelong surfer Brian Smith was leading a life of quiet desperation as an accountant. Then one day, the overwhelming feeling that he'd missed the starting gun to life hit him over the head like a tidal wave, so he pulled himself up by his bootstraps and got to work. What came next was the adventure of a lifetime that turned a pair of sheepskin boots into an international phenom and brand. Now Brian is sharing how he got it done. Using the wisdom of hindsight, he reveals the clear business practices and spiritual truths that he discovered and honed along his path to success. Written with refreshing candor and camaraderie, seasoned with time-worn knowledge and perspective, *The Birth of a Brand* is for anyone interested a joyful, genuine, spiritual life while and still be wildly successful in their professional life at the same time. In business, just as in life, we have to crawl before we can leap into success. The worst thing to do is stand still.

The Lost Kitchen

Recipes and a Good Life Found in Freedom, Maine *Clarkson Potter*

The Freedom, Maine, restaurateur and chef shares one hundred seasonal recipes that celebrate small-town America, including such offerings as squid stuffed with sausage, rib eye steaks, and fried rabbit.

The Glutathione Revolution

Fight Disease, Slow Aging, and Increase Energy with the Master Antioxidant *Hachette Go*

Ward off life-threatening disease and symptoms of aging with this guide to boosting your levels of glutathione (GSH), the "master antioxidant." The body has a remarkable ability to ward off disease and heal itself--and it does it with the help of the most important antioxidant you've never heard of: glutathione (GSH), the "master antioxidant." This indispensable molecule--which we make ourselves--holds the key to immunity, vitality, and lifelong health, helping to flush out toxins, fight DNA-damaging free radicals, and rebuild other essential antioxidants like Vitamins C and E. It's been linked to longevity in centenarians, and it protects against diseases like cancer, diabetes, and Alzheimer's. It plays a role in lesser ailments too: low glutathione levels could be the culprit behind

your fatigue, aches, and pains. At the forefront of the latest GSH research, Dr. Nayan Patel shares all the information you need to boost your glutathione levels, revitalize your body, and transform your life with this naturally-occurring super antioxidant. In *The Glutathione Revolution*, he addresses the most important questions about GSH: What exactly is glutathione? What happens when your GSH levels are low? What diseases does GSH ward off? How can you naturally increase the amount of GSH your cells produce? What foods should you eat--and not eat? What are the safest and most effective GSH supplements? With a wealth of practical information and three easy, accessible action plans that you can tailor to your own life and health concerns, you too can harness the power of glutathione.

Now there's only one question that really matters . . . Do you have what it takes?

Saint Badass

Personal Transcendence in Tucker Max Hell

"My life was the result of my crazy childhood." With these words began an extraordinary correspondence, between Roy Tester, a double-murderer serving a life sentence in the notorious Arkansas prison, Tucker Maximum Security Prison, and Doug Carnine, a meditation teacher and lay Buddhist minister on the other side of the country. In the letters that followed -- more than 700 over seven years -- these two men, along with three other prisoners at Tucker Max, developed a profound spiritual partnership that changed all of their lives. *Saint Badass: Personal Transcendence in Tucker Max Hell* tells the inspiring story of these unlikely friends in their own words, and follows their journey as they rediscover their humanity in one of the most inhuman places on Earth. Buddhist Synopsis: *Saint Badass: Personal Transcendence in Tucker Max Hell* is a memoir about bringing heaven down to hell. Drawing on an exchange of letters, Doug Carnine tells the story of his partnership with three murderers and an alleged rapist, about Buddhism and its practices of mindfulness and kindness, and how by adopting these practices, the prisoners transformed their lives. All four prisoners were housed in Tucker, Arkansas, at the notorious maximum-security prison featured in the Robert Redford movie *Brubaker*. In their letters, to Carnine, and sometimes to one another, the prisoners describe their unrelentingly abusive childhoods, their lives of violence and crime, their eventual submission to prison life, and their growing commitments to meditation and

kindness. A suspenseful and moving drama unfolds as these prisoners join in partnership and experience glimpses of internal freedom. Each prisoner faces new crises in prison, including disabling illness, a brain tumor, a prison gang attack, family betrayal, medical abuse and harsh punishments for mild offenses. Yet through mindfulness and the blessings of kindness, each prisoner in his own way overcomes his crisis. The destructive forces of prison and the horror of the men's upbringings provide a dramatic contrast to their incongruously continuous acts of kindness and growing concern for the well-being of others. The journey chronicled in this book calls into question stereotypes about marginalized members of society and inspires hope for change. This story is about transformation -- that of the prisoners, and of the author, as he shares personal difficulties and learns from the courage and commitment of his prison friends. Scoundrel

How a Convicted Murderer Persuaded the Women Who Loved Him, the Conservative Establishment, and the Courts to Set Him Free *HarperCollins*

A Recommended Read from: The Los Angeles Times * Town and Country * The Seattle Times * Publishers Weekly * Lit Hub * Crime Reads * Alma From the author of *The Real Lolita* and editor of *Unspeakable Acts*, the astonishing story of a murderer who conned the people around him—including conservative thinker William F. Buckley—into helping set him free In the 1960s, Edgar Smith, in prison and sentenced to death for the murder of teenager Victoria Zielinski, struck up a correspondence with William F. Buckley, the founder of *National Review*. Buckley, who refused to believe that a man who supported the neoconservative movement could have committed such a heinous crime, began to advocate not only for Smith's life to be spared but also for his sentence to be overturned. So begins a bizarre and tragic tale of mid-century America. Sarah Weinman's *Scoundrel* leads us through the twists of fate and fortune that brought Smith to freedom, book deals, fame, and eventually to attempting murder again. In *Smith*, Weinman has uncovered a psychopath who slipped his way into public acclaim and acceptance before crashing down to earth once again. From the people Smith deceived—Buckley, the book editor who published his work, friends from back home, and the women who loved him—to Americans who were willing to buy into his lies, Weinman explores who in our world is accorded innocence, and how the public becomes complicit in the stories we tell one another. *Scoundrel* shows, with clear eyes and sympathy for all those who entered Smith's orbit, how and why he was able to manipulate, obfuscate, and make a mockery of both well-meaning people and the American criminal justice system. It tells a forgotten part of American history at the nexus of justice, prison reform, and civil rights, and exposes how one man's ill-conceived plan to set another man free came at the great expense of Edgar Smith's victims.

Mourning Remembrance

A Collection of Mocking Obituaries Ripped from the Deadlines *Createspace Independent Pub*
 "There is nothing funnier than wrong when it is done right. Jim does it right." -- Marc Maron "That's

Jim, the cloud guy. The guy whose book of fake obituaries has now made me unable to consider eating chicken again." -- Rachel Maddow *Mourning Remembrance* is a collection of mocking obituaries based on the lives, and deaths, of real people. It's 276 pages of relentless insensitivity for the whole family! Created by Jim Earl, Emmy and Peabody Award winning comedy writer and former staff writer at the Daily Show with Jon Stewart. *Mourning Remembrance* celebrates the legacies of all those dead individuals whose accomplishments spanned the spectrum from the harmlessly stupid, to the horribly evil, and helped transform our lives into the Orwellian nightmare it is today. Cover art by Tony Millionaire, and illustrated throughout by Nathan Smith.

The Neon Bible

A Novel *Open Road + Grove/Atlantic*

"A moving evocation of the small-town South in the mid-twentieth century" that "belongs on the shelf with the works of Flannery O'Connor, Carson McCullers, and Eudora Welty" (Orlando Sentinel). John Kennedy Toole—who won a posthumous Pulitzer Prize for his best-selling comic masterpiece *A Confederacy of Dunces*—wrote *The Neon Bible* for a literary contest at the age of sixteen. The manuscript languished in a drawer and became the subject of a legal battle among Toole's heirs. It was only in 1989, thirty-five years after it was written and twenty years after Toole's suicide at thirty-one, that this amazingly accomplished and evocative novel was freed for publication. "Heartfelt emotion, communicated in clean direct prose . . . a remarkable achievement." —Michiko Kakutani, *The New York Times* "John Kennedy Toole's tender, nostalgic side is as brilliantly effective as his corrosive satire. If you liked *To Kill A Mockingbird* you will love *The Neon Bible*." —Florence King "Shockingly mature. . . . Even at sixteen, Toole knew that the way to write about complex emotions is to express them simply." —Kerry Luft, *Chicago Tribune*

Sloppy Seconds

The Tucker Max Leftovers *Blue Heeler Books*

Tucker Max's books—*I Hope They Serve Beer In Hell*, *Assholes Finish First*, and *Hilarity Ensues*—are a uniquely engaging trilogy composed of his best, craziest stories. They've sold millions of copies to fans all over the world. Their success has meant his success. As a thank you to those who have loved the stories and supported him for so long, Tucker has gone back through his massive archive of material one last time, culled out what you might call the "best of the rest," and arranged it here, in *Sloppy Seconds*, like a book version of *Deleted Scenes*. Unlike most deleted scenes, however, these don't suck. So enjoy.

Ivyland

OR Books

It's spring in Ivyland . . . Debut novelist Miles Klee takes a landscape of drugs, decay, loss and, perhaps, hope, and manages to make the ensemble wryly funny: something only a few notable

contemporaries such as Jeff Vandermeer and Michael Chabon have been able to do. Post-urban New Jersey is instantly recognizable in this interlinked series of short vignettes. . . . and Lev's living room is puddles of water and sun, and a bunch of those furry caterpillars are hauling themselves from surface to surface. Populated by a bumbling, murderous citizenry of corrupt cops, innocents, ravenous addicts, lovesick geniuses, and cynical adventurers, Ivyland operates in the shadow of a giant pharmaceutical corporation that thrives on people's weaknesses . . . and may have an even more sinister agenda. It's our world, only a bit more extreme, and lovingly, precisely depicted with the adept skills native to a master of dark humor.

Real Ultimate Power: The Official Ninja Book *Citadel Press*

Dear Stupid Idiots, A lot of you have been saying that I don't know anything about REAL ninjas. But that's a bunch of bull crap! You dummies don't know anything. And maybe YOU should get a life. I bet a lot of you have never even seen a girl naked! You idiots believe that ninjas had some "code of honor." Yeah right! If by "code of honor," you mean "code to flip out and go nuts for absolutely no reason at all even if it means that people might think you are totally insane or sweet," then you are right. But if you mean a "code to be nice and speak nicely while sharing and not cutting off heads," then you're the biggest idiot ever!!!!!! So if you have any brains, you will shut up and get a life. So go shut up, you stupid idiot. No thank you, Robert Hamburger

The Art and Business of Online Writing

How to Beat the Game of Capturing and Keeping Attention

The Magic Strings of Frankie Presto

A Novel *HarperCollins*

Mitch Albom creates his most unforgettable fictional character—Frankie Presto, the greatest guitarist to ever walk the earth—in this magical novel about the bands we join in life and the power of talent to change our lives. In his most stunning novel yet, the voice of Music narrates the tale of its most beloved disciple, young Frankie Presto, a war orphan raised by a blind music teacher in a small Spanish town. At nine years old, Frankie is sent to America in the bottom of a boat. His only possession is an old guitar and six precious strings. But Frankie's talent is touched by the gods, and his amazing journey weaves him through the musical landscape of the 20th century, from classical to jazz to rock and roll, with his stunning talent affecting numerous stars along the way, including Hank Williams, Elvis Presley, Carole King, Wynton Marsalis and even KISS. Frankie becomes a pop star himself. He makes records. He is adored. But his gift is also his burden, as he realizes, through his music, he can actually affect people's futures—with one string turning blue whenever a life is altered. At the height of his popularity, Frankie Presto vanishes. His legend grows. Only decades later, does he reappear—just before his spectacular death—to change one last life. With its Forest Gump-like romp through the music world, *The Magic Strings of Frankie Presto* is a classic in the making. A lifelong musician himself, Mitch Albom delivers a remarkable novel, infused with the

message that “everyone joins a band in this life” and those connections change us all.

PizzaExpress From Italy With Love

100 Favourite Recipes to Make at Home *Orion*

Over 100 delicious, Italian inspired PizzaExpress recipe favourites that bring the UK's most popular restaurant brand straight to your home. The 100

A Ranking of the Most Influential Persons in History *Citadel Press*

A list of the one hundred most influential people in history features descriptions of the careers, contributions, and accomplishments of the political and religious leaders, inventors, writers, artists, and others who changed the course of history. Simultaneous.

The Most Powerful You

7 Bravery-Boosting Paths to Career Bliss *HarperCollins Leadership*

Kathy Caprino guides women to take the reins in their careers by identifying and overcoming the 7 most damaging power gaps holding them back and accessing new levels of internal and external power to propel you forward to the success you want and deserve. The business world has been forever changed by the important progress and contributions that women have made. Yet, with only 38% of manager roles and 22% of C-suite positions being held by women, women continue to struggle to achieve the reward, respect, and authority they have earned. In these pages, career, executive, and leadership coach Kathy Caprino helps women identify the 7 most damaging power gaps that are holding them back from the success they want and deserve, outlining the key steps you can take today to access greater positive power, become the true author of your life, and reach your highest and most rewarding goals. Kathy has dedicated her work to the advancement of women in business. In her research, she has found that 98% of professional women are experiencing at least one of these seven damaging power gaps, and over 75% are facing 3 or more: Power Gap 1:

Not recognizing your special talents, abilities, and accomplishments Power Gap 2: Communicating from fear, not strength Power Gap 3: Reluctance to ask for what you deserve Power Gap 4: Isolating from influential support Power Gap 5: Acquiescing instead of saying “Stop!” to mistreatment Power Gap 6: Losing sight of your thrilling dream for your life Power Gap 7: Allowing past trauma and challenges to define you Through riveting real-life success stories of women overcoming these gaps, and proven strategies and solutions from more than 30 of the nation’s top experts in fields that are essential to women’s success, the exercises in this book will equip you with the strength to: See yourself more powerfully (Brave Sight) Speak more confidently (Brave Speak) Ask for and receive what you deserve (Brave Ask) Connect to your advantage with influential support (Brave Connection) Challenge and change negative behavior toward you (Brave Challenge) Be of service in more meaningful ways (Brave Service) Heal from past trauma and challenge (Brave Healing) Most importantly, *The Most Powerful You* will reconnect you to the thrilling dreams you once had for your life and empower you to take the necessary steps to reclaim that dream while making your positive impact in the world.

Blue Boy *Kensington Publishing Corp.*

At twelve-year-old Indian American boy believes he is the reincarnation of Krishna and plans to unveil his true identity at the school talent show. Meet Kiran Sharma: lover of music, dance, and all things sensual; son of immigrants, social outcast, spiritual seeker. A boy who doesn’t quite understand his lot—until he realizes he’s a god . . . As an only son, Kiran has obligations—to excel in his studies, to honor the deities, to find a nice Indian girl, and, above all, to make his mother and father proud—standard stuff for a boy of his background. If only Kiran had anything in common with the other Indian kids besides the color of his skin. They reject him at every turn, and his cretinous public schoolmates are no better. Cincinnati in the early 1990s isn’t exactly a hotbed of cultural diversity, and Kiran’s not-so-well-kept secrets don’t endear him to any group. Playing with dolls, choosing ballet over basketball, taking the annual talent show way too seriously...the very things that make Kiran who he is also make him the star of his own personal freak show . . . Surrounded by examples of upstanding Indian Americans—in his own home, in his temple, at the weekly parties given by his parents’ friends—Kiran nevertheless finds it impossible to get the knack of “normalcy.” And then one fateful day, a revelation: perhaps his desires aren’t too earthly, but too divine. Perhaps the solution to the mystery of his existence has been before him since birth. For Kiran Sharma, a long, strange trip is about to begin—a journey so sublime, so ridiculous, so painfully beautiful, that it can only lead to the truth . . . Praise for *Blue Boy* “Compassionate, moving, funny, and wise, *Blue Boy* is one of the best debut novels I have read in years.” &mda

Thank You for My Service *Bantam*

The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans--this is *Deadpool* meets *Captain America*, except one went to business school and one went to therapy, and it's anyone's guess which is which.hich.

Nice Is Just a Place in France

How to Win at Basically Everything *Simon and Schuster*

LOOK, MAYBE YOU’RE A NICE GIRL, but we’re guessing you’re more like us or you probably wouldn’t have picked up this book. Not that we have a problem with girls who are nice people. But being nice is just not the way to get what you want. And this book is about getting what you want. Not in like a finding happiness, giving back to the world, being grateful for what you have sort of way. But in a ruling your world, being the most desired, powerful badass in the room way, so you can come out on top of any situation: guys, career, friends, enemies, whatever. How does a betch make that happen? Here are some highlights: DON’T BE EASY. DON’T BE POOR. DON’T BE UGLY. We didn’t come up with these life lessons. We’re just the ones who wrote it all down. This is not self-help. Self-help is for fat people and divorcées. This is how to deal with your problems when you have no problems. You’re welcome.

Hello, Shadowlands

Inside the Meth Fiefdoms, Rebel Hideouts and Bomb-Scarred Party Towns of Southeast Asia *Icon Books*

'Reads like a thriller you can't put down' - Megha Rajagopalan, China Bureau Chief, BuzzFeed News 'ensures you'll never think about Southeast Asia in the same way ever again.' - Geographical Magazine Essential to understanding Southeast Asia in the 21st century, *Hello, Shadowlands* reveals a booming underworld of organised crime across a region in flux— a \$100 billion trade that deals in narcotics, animals and people —and the staggering human toll that is being steadily ignored by the West. From Myanmar’s anarchic hills to the swamplands of Vietnam, jihadis are being pitted against brothel workers, pet thieves against vigilantes and meth barons against Christian vice squads. *Hello, Shadowlands* takes a deep plunge into crime rings both large and small. It also examines how China’s rise and America’s decline is creating new opportunities for transnational syndicates to thrive. Focusing on human stories on both sides of this crime wave, the acclaimed Bangkok-based broadcaster and journalist Patrick Winn intimately profiles the men and women of the region who are forced to make agonizing choices in the absence of law.

The Biggest Ever Tim Vine Joke Book *Random House*

The irrepressible, hysterical, puntastical Tim Vine, star of stage and screen, treats all of us here in his first joke book. Packed full of zingers and hilarious illustrations, if this doesn't put a smile on your face, nothing will. What's not to like: The other day someone left a piece of plasticine in my dressing room. I didn't know what to make of it. I'm against hunting. I'm actually a hunt saboteur. I go out the night before and shoot the fox. I saw this bloke chatting up a cheetah. He was trying to pull a fast one. Black holes. I don't know what people see in them. So I fancied a game of darts with my mate. He said, 'Nearest the bull goes first.' He went 'Baah' and I went 'Moo'. He said 'You're closest.' Velcro. What a rip-off. Black Beauty. He's a dark horse. I've got a sponge front door. Hey, don't knock it.

Attack of the Flickering Skeletons

More Terrible Old Games You've Probably Never Heard Of *Unbound Publishing*

Welcome to a world of games you never knew existed. You will probably wish you still didn't. YouTube sensation Stuart Ashen is back with his second instalment of terrible old computer games you've probably never heard of... because what the world needs right now is to know exactly how bad Domain of the Undead for the Atari 8-bit computers was. Attack of the Flickering Skeletons is even bigger than the original Terrible Old Games You've Probably Never Heard Of - this second excavation of gaming's buried past will not only unearth more appalling excuses for digital entertainment, but also feature guest contributors and several special interest chapters not based around single specific games. These are NOT the games you've heard of a million times in YouTube videos. This is a compilation of truly obscure and dreadful games. Dripping with wry humour and featuring the best, worst graphics from the games themselves, this book encapsulates the atrocities produced in the days of tight budgets and low quality controls. These are even more appalling games that leaked from the industry's tear ducts, taken down from the dusty shelves of history by the man who has somehow made a living by sticking rubbish on a sofa and talking about it.

We Were Soldiers Once . . . and Young

Ia Drang—The Battle That Changed the War in Vietnam *Open Road Media*

New York Times Bestseller: A "powerful and epic story . . . the best account of infantry combat I have ever read" (Col. David Hackworth, author of *About Face*). In November 1965, some 450 men of the First Battalion, Seventh Cavalry, under the command of Lt. Col. Harold Moore, were dropped into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was brutally slaughtered. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. They were the first major engagements between the US Army and the People's Army of Vietnam. How these Americans persevered—sacrificing themselves for their comrades and never giving up—creates a vivid portrait of war at its most devastating and inspiring. Lt. Gen. Moore and Joseph L. Galloway—the only journalist on the ground throughout the fighting—interviewed hundreds of men who fought in the battle, including the North Vietnamese commanders. Their poignant account rises above the ordeal it chronicles to depict men facing the ultimate challenge, dealing with it in ways they would have once found unimaginable. It reveals to us, as rarely before, man's most heroic and horrendous endeavor.

Exodus

Immigration and Multiculturalism in the 21st Century *Penguin Classics*

Mass international migration is a response to extreme global inequality, and immigration has a profound impact on the way we live. Here, world-renowned economist Paul Collier seeks to defuse this explosive subject. *Exodus* looks at how people from the world's poorest societies struggle to migrate to the rich West- the effects on those left behind and on the host societies, and explores the impulses and thinking that inform Western immigration policy. Migration, he concludes, is a fact, and we urgently need to think clearly about its possibilities and challenges- it is not a question of whether migration is good or bad, but how much is best? 'Paul Collier is one of the world's most thoughtful economists. His books consistently illuminate and provoke. *Exodus* is no exception.' Economist 'For everyone on all sides of this contentious issue, *Exodus* is a 'must-read'.' Robert D. Putnam 'A lively exploration of perhaps the most contentious issue of our age . . . the former World Bank economist thinks people are focusing on the wrong question. The key issue is not whether immigration is good or bad. He argues, instead, that we should focus on how much migration there should be and, more interestingly, who it really helps.' Ian Birrell, *Observer* 'My political book of the year . . . *Exodus* has opened up the issue.' Melanie McDonagh, *Spectator* 'Brave, fascinating . . . a frank dissection of the costs and benefits of immigration.' Rupert Edis, *Sunday Telegraph* 'Exodus is not an effort to tell us what to think about immigration but an attempt to create a new framework for how we think about it . . . a voice to which it is worth paying attention.' Ravi Mattu, *Financial Times*

You'll Never Blue Ball in This Town Again

One Woman's Painfully Funny Quest to Give It Up *Simon and Schuster*

New York Times bestselling author, comedian, and Chelsea Lately writer Heather McDonald's hilarious true story of finding herself in the predicament of being an unwilling virgin at the age of twenty-seven. Can't a girl dress like a hooker, dance like a stripper, and kiss like a porn star and still be a nineteen-year-old virgin? *You'll Never Blue Ball in This Town Again* is the laugh-out-loud story of an attractive Los Angeles woman who found herself in the predicament of being an unwilling virgin. As an actress, writer, and stand-up comedienne, Heather McDonald passed up ample opportunities to have her V-card revoked by handsome, rich, and sometimes even fabulously famous men, but she could not bring herself to do "it" until well after her friends had been deflowered. As Chelsea Handler so lovingly puts it, "Thank God Heather waited twenty-seven years to lose her virginity or she wouldn't have any material for this book." Whether in a backseat, a community pool, or a sports stadium, with a frat boy, a doctor, or an A-list celebrity, Heather McDonald knew how to turn those boys blue. Unlike "putting out," blue balling might not have paid her rent or landed her free trips to Hawaii, but it did provide her with hilarious stories and adventures in her search for true love—and, ultimately, her very own happy ending. Now, Heather McDonald will never blue ball in this town again.
