Guide:Crafting a Zenith - The Official Terraria Wiki

Crafting takes no time, though there is a very small delay between the creation of items in a stack. The longer the button is held, the shorter this delay. While many items can be crafted using only the materials in their recipes, most will require a crafting station to make their recipe available. Items that require a station will appear in the crafting bar while the player stands near the required item, requiring no interaction with the station.

Recipes - The Official Terraria Wiki

A Crafting Station allows players to craft various items. Entering the inventory screen displays the "Crafting window" in the lower-left, and when the player is standing near one or more Crafting Stations and possesses the right crafting ingredients, the bar is expanded with additional item choices. Nearly all crafting stations are furniture. There are currently 44 crafting stations in total.
