African American genealogical sourcebook (Book, 1995 ...

Interest in genealogical research once seemed to be relatively confined to the descendants of the first wave of settlers to arrive in this country, i.e., to "Anglo-Saxons"; therefore many genealogical research manuals concentrated on such emigration, to the neglect of other ethnic groups. The popularity of Roots, by Alex Haley, both as a book and a television miniseries, heightened the genealogical interest not only of African Americans but of many other Americans of varied ethnic heritages.
