Life Expectancy *Bantam*

With his bestselling blend of nail-biting intensity, daring artistry, and storytelling magic, Dean Koontz returns with an emotional roller coaster of a tale filled with enough twists, turns, shocks, and surprises for ten ordinary novels. Here is the story of five days in the life of an ordinary man born to an extraordinary legacy—a story that will challenge the way you look at good and evil, life and death, and everything in between. Jimmy Tock comes into the world on the very night his grandfather leaves it. As a violent storm rages outside the hospital, Rudy Tock spends long hours walking the corridors between the expectant fathers' waiting room and his dying father's bedside. It's a strange vigil made all the stranger when, at the very height of the storm's fury, Josef Tock suddenly sits up in bed and speaks coherently for the first and last time since his stroke. What he says before he dies is that there will be five dark days in the life of his grandson—five dates whose terrible events Jimmy will have to prepare himself to face. The first is to occur in his twentieth year; the second in his twenty-third year; the third in his twenty-eighth;

the fourth in his twenty-ninth; the fifth in his thirtieth. Rudy is all too ready to discount his father's last words as a dying man's delusional rambling. But then he discovers that Josef also predicted the time of his grandson's birth to the minute, as well as his exact height and weight, and the fact that Jimmy would be born with syndactyly—the unexplained anomaly of fused digits—on his left foot. Suddenly the old man's predictions take on a chilling significance. What terrifying events await Jimmy on these five dark days? What nightmares will he face? What challenges must he survive? As the novel unfolds, picking up Jimmy's story at each of these crisis points, the path he must follow will defy every expectation. And with each crisis he faces, he will move closer to a fate he could never have imagined. For who Jimmy Tock is and what he must accomplish on the five days when his world turns is a mystery as dangerous as it is wondrous—a struggle against an evil so dark and pervasive, only the most extraordinary of human spirits can shine through. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: *THE SILENT CORNER* • *THE WHISPERING ROOM* • *THE CROOKED STAIRCASE* • *THE FORBIDDEN DOOR* • *THE NIGHT WINDOW* Praise for *The Whispering Room* "Koontz has never exactly shied away from complex characters or situations. And this situation gets very complex indeed, as Jane pursues the people behind the conspiracy with the kind of single-minded relentlessness that makes the book absolutely spellbinding. As good as *The Silent Corner* was, this one's even better. . . . Koontz is on another roll with a new series that boasts a juicy premise and a compelling star. . . . Pure gold."—Booklist (starred review) "A deeply layered, satisfying thriller that is character-driven and nearly impossible to put down . . . grounded in many real-world, current issues . . . [The Whispering Room] never loses sight of the classic

political/sci-fi/thriller elements that make it so much fun to read.”—Bookreporter
