Stories of My Life *Ballantine Books*

A NEW YORK TIMES Notable Book of the Year "In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. 'I'm not going to hide behind you anymore,' she says. 'Who are you anyway? You're not me.' Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off."—Anna Quindlen, *The New York Times* Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. "It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine

Hepburn."—*The New York Times Book Review* NOTE: This edition does not include photographs.

The Books They Gave Me

True Stories of Life, Love, and Lit *Simon and Schuster*

This beautiful full-color treasury of stories about gift book-giving celebrates the enduring power of literature: stories of significant books people have received and what those books mean to them. THE GIFT OF A BOOK BECOMES PART OF THE STORY OF YOUR LIFE. Perhaps it came with a note as simple as "This made me think of you," but it takes up residence in your heart and your home. *The Books They Gave Me* is a mixtape of stories behind books given and received. Some of the stories are poignant, some snarky, some romantic, some disastrous—but all are illuminating. Jen Adams collected nearly two hundred of the most provocative stories submitted to the tumblr blog *TheBooksTheyGaveMe.com* to capture the many ways books can change our lives and loves, revealing volumes about the

relationships that inspired the gifts. These stories are, by turns, romantic, cynical, funny, dark, and hopeful. There's the poorly thought out gift of Lolita from a thirty-year-old man to a teenage girl. There's the couple who tried to read Ulysses together over the course of their long-distance relationship and never finished it. There's the girl whose school library wouldn't allow her to check out Fahrenheit 451, but who received it at Christmas with the note, "Little Sister: Read everything you can. Subvert Authority! Love always, your big brother." These are stories of people falling in love, regretting mistakes, and finding hope. Together they constitute a love letter to the book as physical object and inspiration. Illustrated in full color with the jackets of beloved editions, *The Books They Gave Me* is, above all, an uplifting testament to the power of literature.

The Story of My Life

Stories of Your Life and Others *Knopf*

From the author of *Exhalation*, an award-winning short story collection that blends "absorbing storytelling with meditations on the universe, being, time and space ... raises questions about the nature of reality and what it is to be human" (*The New York Times*). *Stories of Your Life and Others* delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded writers, *Stories of Your Life and Others* is a contemporary classic. Includes "Story of Your Life"—the basis for the major motion picture *Arrival*

Kate

The Woman Who Was Hepburn *Henry Holt and Company*

The first major Katharine Hepburn biography independent of her control reveals the smart, complicated, and sophisticated woman behind the image Onscreen she played society girls, Spencer Tracy's sidekick, lionesses in winter. But the best character Katharine Hepburn ever created was Katharine Hepburn: a Connecticut Yankee, outspoken and elegant, she wore pants whatever the occasion and bristled at Hollywood glitter. So captivating was her image that she never seemed less than authentic. But how well did we know her, really? Was there a woman behind the image who was more human, more driven, and ultimately more triumphant because of her vulnerability? William J. Mann—a cultural historian and journalist, a sympathetic admirer but no mere fan—has fashioned an intimate, often revisionist, and truly unique close-up that challenges much of what we think we know about the Great Kate. Previous biographies—mostly products of friends and fans—have recycled the stories she hid behind, taking Hollywood myths at face value. Mann goes deeper, delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death. With affection, intelligence, and a voluminous knowledge of Hollywood history, Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all-American as the Statue of Liberty.

#1 NEW YORK TIMES BESTSELLER • The funny, sad, super-honest, all-true story of Chelsea Handler's year of self-discovery—featuring a nerdily brilliant psychiatrist, a shaman, four Chow Chows, some well-placed security cameras, various family members (living and departed), friends, assistants, and a lot of edibles A SKIMM READS PICK • “This will be one of your favorite books of all time.”—Amy Schumer In a haze of vape smoke on a rare windy night in L.A. in the fall of 2016, Chelsea Handler daydreams about what life will be like with a woman in the White House. And then Donald Trump happens. In a torpor of despair, she decides that she's had enough of the privileged bubble she's lived in—a bubble within a bubble—and that it's time to make some changes, both in her personal life and in the world at large. At home, she embarks on a year of self-sufficiency—learning how to work the remote, how to pick up dog shit, where to find the toaster. She meets her match in an earnest, brainy psychiatrist and enters into therapy, prepared to do the heavy lifting required to look within and make sense of a

childhood marked by love and loss and to figure out why people are afraid of her. She becomes politically active—finding her voice as an advocate for change, having difficult conversations, and energizing her base. In the process, she develops a healthy fixation on Special Counsel Robert Mueller and, through unflinching self-reflection and psychological excavation, unearths some glittering truths that light up the road ahead. Thrillingly honest, insightful, and deeply, darkly funny, Chelsea Handler's memoir keeps readers laughing, even as it inspires us to look within and ask ourselves what really matters in our own lives. Praise for *Life Will Be the Death of Me* “You thought you knew Chelsea Handler—and she thought she knew herself—but in her new book, she discovers that true progress lies in the direction we haven't been.”—Gloria Steinem “I always wondered what it would be like to watch Chelsea Handler in session with her therapist. Now I know.”—Ellen DeGeneres “I love this book not just because it made me laugh or because I learned that I feel the same way about certain people in politics as Chelsea does. I love this book because I feel like I finally really got to know Chelsea Handler after all these years. Thank you for sharing, Chelsea!”—Tiffany Haddish

My Life in Middlemarch

A Memoir *Crown*

A New Yorker writer revisits the seminal book of her youth--*Middlemarch*--and fashions a singular, involving story of how a passionate attachment to a great work of literature can shape our lives and help us to read our own histories. Rebecca Mead was a young woman in an English coastal town when she first read George Eliot's *Middlemarch*, regarded by many as the greatest English novel. After gaining admission to Oxford, and moving to the United States to become a journalist, through several love affairs, then marriage and family, Mead read and reread *Middlemarch*. The novel, which Virginia Woolf famously described as "one of the few English novels written for grown-up people," offered Mead something that modern life and literature did not. In this wise and revealing work of biography, reporting, and memoir, Rebecca Mead leads us into the life that the book made for her, as well as the many lives the novel has led since it was written. Employing a structure that deftly mirrors that of the novel, *My Life in Middlemarch* takes the themes of Eliot's masterpiece--the complexity of love, the meaning of marriage, the foundations of morality, and the drama of aspiration and failure--and brings them into our world. Offering both a fascinating reading of Eliot's biography and an exploration of the way aspects of Mead's life uncannily echo that of Eliot herself, *My Life in Middlemarch* is for

every ardent lover of literature who cares about why we read books, and how they read us.

Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced

the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Drive Gently

A Memoir *Createspace Independent Publishing Platform*

My father's suspicious death, perhaps at the hands of a small town sheriff's department, forced my mother to flee our hometown--Idamay, West Virginia--a few days after he died in 1954. She was told that he'd hung himself in a jail cell in Fairmont, West Virginia, where he was being held for driving while intoxicated. She was afraid they would do something to her and leave us kids orphaned. Though we left Idamay, that town and our devastating loss followed us. My father's absence, though seldom spoken about, was "present" everywhere we turned. My mother never looked back. But when she died forty-two years later, his death came back to me in full force. I felt compelled to investigate further. I'd heard conflicting stories all my life. This book documents an investigation that yields more questions than answers for the seven-year-old survivor who has an insatiable need to know. This book is about this seven-year-old whose entire life was indelibly marked by this tragic loss that she experienced when she had just reached what is often called the age of reason. Her quest for the truth takes her to places she'd never dreamed she could go. Because there is so much she doesn't know, she finds herself leaning heavily on her imagination to help her to navigate this mysterious and fatherless world.

Purgatory Living

Stepping Out of the Purgatory of Living and Stepping Into a New Beginning!

One day I woke up and realized that I had been lost for quite some time. I had got comfortable with how life was treating me. I no longer cared about how I presented myself, stuck between life and death, you know Purgatory. The real me had left long ago and the figure that I saw before me was just a shell that protects me until I could be found again. I had everything a woman could ask for and more yet somehow and somehow I forgot about myself and ended up in the purgatory of living. When I had my epiphany, I discovered some things that I should have seen all along but was too busy allowing life to consume me that I didn't care to pay attention. You know, taking care of kids, husband, family, work, friends and oh yeah, then me if I'm not too tired.... Me! One day I found myself on the outside of the milk carton... Lost, hanging in the purgatory of living. It was the shock of my life yet not a shock for everyone else. Most often others can see what's going on in your life even when you cannot (or you think you do). Don't let that to happen to you or to allow it to continue. You can step out of the purgatory of living and into a new beginning. It could be easier than you think it is. For me... I have some changing to do and the changing can only be done by me for me. I cannot change you or the rest of the world but we can help each other with the process of changing for the better....

TOGETHER! And look who we shall find! (You and me too) Let's begin... how did I lose myself?

This Changes My Family and My Life Forever,

Save Me *Createspace Independent Publishing Platform*

Can a weeping willow grow into a steel magnolia? Ellie Cochran doesn't think so. She is a lost soul if there ever was one. A life filled with unimaginable loss does that to a person. Tired of fighting for one that doesn't seem worth living any more, she knows it's time to make a decision. A stop for coffee is the last place she expects for that choice to be forced on her. But when the bullets start flying will she choose death-finally crossing over the threshold she's been hovering at for two seemingly endless years, or will she choose the hope she sees in a tall, beautiful stranger's eyes? Nikolas Jensen didn't know grabbing a coffee before work would turn his world upside down. He didn't plan on making any life-altering decisions when he walked through those doors either. But that's exactly what he has to do. When death is staring you down from the barrel of a gun, do you save yourself, or a woman you just met? Their paths now stitched together by one traumatic morning, Nik and Ellie must pick up the broken pieces. Can they do it together or will Ellie's demons be too much for them both?

Let Me Tell a Story

A Mix of Short Fiction and Memoir

Let Me Tell A Story is quite a departure from the military crime fiction Betit has published in the past. Written in the same tight but detailed style characteristic of his earlier books, this collection is a mix of short fiction and memoir, first-person stories that take place over a period of nearly 60 years. Although written in the first person, the narrator of one story is not necessarily the narrator of the next story in the book. It starts with a tale about a 12-year-old boy who learns some important life lessons during a family trip to Maine's northern-most Aroostook County in the 1950s. It ends with a piece about an elderly Maine couple learning some lessons of their own while coming to grips with old age in the near present. In between there are stories about young soldiers and old soldiers, husbands and wives, mothers and fathers and other sordid types. Half of the ten stories in the book take place in Maine. A lot of the pieces were based on Betit's experiences during the Vietnam War and its aftermath "I call them woulda-coulda-shoulda stories," he said. "All of them contain more than one grain of truth. Usually, a lot more." Previously, Betit published Phu Bai, Kagnev Station and The Man In The Canal, military crime novels set in South Vietnam, Ethiopia and Sweden, respectively, during the late 60s and early 70s. That series follows the adventures of U.S. Army CID investigator John Murphy. During book talks promoting his crime novels Betit sometimes read early versions of a few of the stories in Let Me Tell A Story at his events. "It was a good change of pace and the stories were well received," he said. "Like my other books, this book can be classified as a good read."

Stop Sabotaging Your Life

3 Steps to Your Full Potential *Createspace Independent Pub*

In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that."—Cristina "The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential." —Adrian "If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth." —Blaine

My Life With Papa

My purpose for writing this book is to leave a legacy of a man who was truly remarkable. My journal consists of the 30 odd years we spent together, all the adventures and travels.

Becoming Zara

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance

dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."
