Grimms Fairy Tales **Kindle Edition**

This book of Grimms
 fairy tales is not
 necessarily for
 children. Some of the
 stories are quite
 frightening, and
 although they all have
 a moral to them, some
 of them are quite cruel.
 It is a wonderful
 collection, although it
 is quite suprising that
 some of the stories

have different titles to those that we know and love.

This 1922 free kindle book contains more than two dozen delightful short tales by Jacob and Wilhelm Grimm. Most of the stories are well-known, but told with details that differ with what we are familiar with, such as Rumpelstiltskin, Cinderella, and Hansel and Grethel. Many of the tales were new to me.
