How Children Learn John Holt

He found that children start out keen for knowledge and learning, and learn by constantly sifting through the chaos for threads, and then they test different theories about how things work. They learn through tactile experience, through patient experimentation, they want to know and to understand, and often show far more advanced capabilities than they are given credit for.

John Holt's bestselling book celebrates its 50th year in print! This book has influenced two generations to reconsider how children learn in the classroom and outside of it, and how adults can best help children grow and learn from their experiences.

John Holt GWS - How Children Learn

John Holt has some really fascinating observations from working with children that really reflect my own experiences with my kids. Children learn through games and play. They seem to learn spontaneously without being taught (like Holt makes the point...if we taught kids to speak how we teach them to read, they would never learn!)

How Children Learn by John Holt - Goodreads

John Holt (1927-1985), one of this country's leading educational and social critics, was the author of ten influential books which have been translated into fourteen languages. Known both as a passionate reformer and as "the gentle voice of reason" (LIFE magazine), John Holt offers insights into the nature of learning that are more relevant today than ever before.

In How Children Fail, John Holt states that children love to learn but hate to be taught. His experiences in the classroom as a teacher and as a researcher brought him to conclude that every child is intelligent. However, children become unintelligent because they are accustomed by teachers and schools to strive only for teacher approval and the “right” answers and consequently forget everything else. There, children see value not in thinking, discovery, and understanding but only in ...

John Caldwell Holt was an American author and educator, a proponent of homeschooling and, specifically, the unschooling approach, and a pioneer in youth rights theory. After a six-year stint teaching elementary school in the 1950s, Holt wrote the book How Children Fail, which cataloged the problems he saw with the American school system. He followed it up with How Children Learn. Both books were popular, and started Holt's career as a consultant to American schools. By the 1970s he decided he wo

104 quotes from John Holt: 'Leaders are not, as we are often led to think, people who go along with huge crowds following them. Leaders are people who go their own way without caring, or even looking to see, whether anyone is following them. "Leadership qualities" are not the qualities that enable people to attract followers, but those that enable them to do without them.

John Holt Quotes (Author of How Children Learn)

An interesting quote from one of Holt's colleagues, "If we taught children to speak, they'd never learn." Children will learn what they need to learn, but in their own time, and on their own terms. If they prefer to play, let them play. This was the policy of Alexander Neill in his Summerhill school in England.
