Seemingly the 08 service manual is like the holy grail you've heard of it but just can't seem to find it. Anyways, any of the dealerships sell them, there is a dealer on garden grove blvd. beach city suzuki or something like that, he said he could special order it for you for 75.00 dollars.

If you're looking into buying a sportbike, I would highly recommend a Gixxer 600. A gixxer in general is a great bike but the 600 series is an all around amazing motorcycle. It has a serious power band after 7k RPMs but also has a low key side to it for just cruising thru town. The twistys don't even phase the 600.
