The Working Class In American

— Dennis Gilbert, *The American Class Structure*, 1998. ... Other social scientists, such as Barbara Jensen, show that middle-class culture tends to be highly individualistic, while working-class culture tends to center around the community. Such cultural value differences are thought to be closely linked to an individual's occupation.

Working class in the United States - Wikipedia

The series was established in the 1970s by Herbert Gutman,

David Brody, and David Montgomery, the enormously influential founders of “the new labor history” that recast the study of the working class into a broad and culturally resonant discipline that influenced scholarship not just in history, but throughout the humanities and social sciences.

The Working Class in American History

Although the plight of the working class has been a Hollywood subject for more than a century, no significant work has explored Hollywood's role in shaping the modern working class. Most studies of the films of the late 1960s and 1970s explore the "New Hollywood," or the "Hollywood Renaissance," a brief period of directorial creativity in the industry.

The Working Class in American Film: The Creation of Image ...

Will we become a real democracy based on working-class solidarity across races and less on racial divisions across and between classes? These are some of the most critical questions of our time that should keep us busy in trying to hold elected officials, the media and ourselves accountable if we want to keep any semblance of our republic intact.

Working-Class Americans Need Real Change

Sectors in which the working class is employed. In every state and Washington, D.C., the vast majority of employed members of the working class can be found in service sector jobs. Industrial jobs—those in the goods-producing industries of construction, manufacturing, and mining—make up a smaller share of working-class employment: between ...

From the early days of "worker films" that attracted working-class audiences to tiny, storefront theaters in the first decades of the twentieth century to the gritty films of social realism that brought audiences to theaters during the Great Depression and beyond, Hollywood has played a major...

The Working Class In American Film by Robert A. Marcink ...

Most of the subjects identify as American and feel American because they believe that America is an idea to embrace, as much as a land mass. There’s a sense that pursuing opportunity, contributing, and believing, regardless of the kind of work you do, in an equality of humans — that no one is greater than anyone else — are what makes a person American.
