Evolutionary history of life - Wikipedia

The story of evolution is the story of life and how living things have changed and adapted to colonise almost everywhere on Earth. It describes how all living things make up one huge family tree that stretches back billions of years. Our planet Earth,

scientists believe, has been around for over 4.5 billion years, give or take 50 million years.

The story of evolution

'Evolution: The story of Life on Earth' , is a 'novel graphic' (as described by its publisher) that takes place on the planet Glargalia. The narrator is a scientific advisor to King Floorsh, who is explaining to the King and his son Prince Floorsh about the way life began on Earth and perpetuated into the present, with a special chapter on humanity itself.
