Human Territoriality: Its Theory and History - Robert ...

Territoriality is a term associated with nonverbal communication that refers to how people use space to communicate ownership or occupancy of areas and

possessions. The anthropological concept branches from the observations of animal ownership behaviors. Personal space can be regarded as a bubble with a person at the center, forming an area which the person does not wish to be invaded. An example of demonstrating territoriality might be the car size. Driving a large truck like the Ford F-350

Human territoriality : its theory and history (Book, 1986 ...

Territoriality is a pattern of attitudes and behavior held by a person or group that is based on perceived, attempted, or actual control of a physical space, object, or idea, which may involve habitual occupation, defense, personalization, and marking of the territory. Marking means placing an object or substance in a space to indicate one's territorial intentions.
