Meant To Be The Saving

Meant To Be is a strange yet enticing book! You cannot put it down once you get into it! Literally. The week I started Meant To Be was the week I had Midterms. I couldn't put it down! Meant To Be is a little different from what I usually read. I really like the whole concept behind this book and the special "powers" that the characters have.

Save For | Definition of Save For by Merriam-Webster

You've refrained from spending more than you otherwise would have, but saving means that you actually tucked that money aside somewhere. Saving is not the absence of spending. It's the intentional act of setting money aside for a specific goal or purpose.

What Does It Mean to Have Savings? - The Balance

But remember, the older you are when you start contributing, the more you're going to need to set aside each month. According to CNBC, Fidelity Investments

calculates that every \$1,000 in monthly income you expect during retirement

requires the following approximate monthly savings: \$160 if you start saving at age 25.
