There never was a story that was happy through and through. When writer Arthur Ransome leaves his unhappy marriage in England and moves to Russia to work as a journalist, he has little idea of the violent revolution about to erupt. Unwittingly, he finds himself at its center, tapped by the British to report back on the Bolsheviks even as he becomes dangerously, romantically entangled with Trotsky's personal secretary. Both sides seek to use Arthur to gather and relay information for their own purposes . . . and both grow to suspect him of being a double agent. Arthur wants only to elope far from conflict with his beloved, but her Russian ties make leaving the country nearly impossible. And the more Arthur resists becoming a pawn, the more entrenched in the game he seems to become. *Blood Red Snow White*, a Soviet-era thriller from renowned author Marcus Sedgwick, is sure to keep readers on the edge of their seats. This title has Common Core connections.

Under a Blood Red Sun

The Remarkable Story of PT Boats in the Philippines and the Rescue of General MacArthur *Casemate*

The author of *Into the Dark Water* “balances scholarly research with accessible storytelling” to tell the heroic WWII account of Torpedo Boat Squadron 3 (Midwest Book Review). During the opening days of World War II in the Pacific, a small group of American sailors in the Philippines were propelled into the forefront of the fighting against the navy and air power of Imperial Japan. They were manned with six small, wooden PT-boats and led by a courageous, larger-than-life character in Lt. John D. Bulkeley. As America’s defense of the Philippines crumbled under the weight of a massive Japanese assault, the courageous activities of Bulkeley’s Torpedo Boat Squadron 3 made headlines across the United States—often as the only good news coming from the bleak Pacific front. The unit achieved everlasting fame by evacuating Gen. Douglas MacArthur from the front. Then, the squadron continued to fight on until all six of its torpedo boats were lost under fire. The fate of the doomed American defenders was sealed when the Japanese won the battle for the islands in the spring of 1942. The exploits of the unit were immortalized in the blockbuster 1945 movie *They Were Expendable*, starring John Wayne and Robert Montgomery, but since then, the saga of Bulkeley and his men has slipped into history. *Under a Blood Red Sun* revives the story of the Philippine PT-boats through the intertwined accounts of Bulkeley and his subordinate officers and men. It is a story of the courage and sacrifice of men thousands of miles from their homeland, representing American gallantry and fighting prowess, giving the Japanese a taste of what was to come their way.

Hotel on the Corner of Bitter and Sweet

A Novel *Ballantine Books*

"Sentimental, heartfelt....the exploration of Henry’s changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don’t repeat those injustices."-- Kirkus Reviews “A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* “Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut.” -- Lisa See, bestselling author of *Snow Flower and the Secret Fan* In the opening pages of Jamie Ford’s stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle’s Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry’s world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While “scholarshipping” at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel’s dark dusty basement he begins looking for signs of the Okabe family’s belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

Under the Banner of Heaven

A Story of Violent Faith *Anchor*

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Blood Red Sunset

A Memoir of the Chinese Cultural Revolution *Penguin*

A searing first hand account of China's Cultural Revolution that joins the ranks of great memoirs such as *Life and Death in Shanghai*, *Wild Swans* and *A Chinese Odyssey* First banned in its native land, this earthy, unflinching memoir has become one of the biggest bestsellers in the history of China. In 1968, a fervent young Red Guard joined the army of hotheaded adolescents who trekked to Inner Mongolia to spread the Cultural Revolution. After gaining a reputation as a brutal abuser of the local herd owners and nomads, Ma Bo casually criticized a Party Leader. Denounced as an "active counterrevolutionary" and betrayed by his friends, the idealistic youth was brutally beaten and imprisoned. Charged with passion, never doctrinaire, *Blood Red Sunset* is a startlingly vivid and personal narrative that opens a window on the psyche of totalitarian excess that no other work of history can provide. This is a tale of ideology and disillusionment, a powerful work of political and literary importance. "A deceptively straightforward story carried forward by deep currents of insight."—The Washington Post "A genuine, no-holds-barred, unadorned piece of writing...echoing the realities of contemporary China."—Liu Binyan, The New York Times Book Review

WBCN and the American Revolution

How a Radio Station Defined Politics, Counterculture, and Rock and Roll *MIT Press*

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed

buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.
